Introduction...

"The Spirit of Weslaco High," written by Ruth Helen Young in 1939, dwells richly in the minds and actions of the student body.

We, the 1966 La Palma staff, present this spirit as the theme and center of the La Palma for this year. In doing so, we express the many areas of activity in the school by utilizing lines from the Weslaco High School song.

"Our faith" is revealed by all of the classes and its perpetuity is carried forth through the organizations. Since personalities are chosen for their popularity, sincerity, and loyalty, they portray that "our hearts are true." We "raise your name on high" through honors which students earn for Weslaco High School. Our undying spirit and support for sports demonstrates that "in victory or defeat we'll stand unmoved by friend or foe." "Our guiding hand" is the enthusiasm for the intellectual, moral, and spiritual welfare of the students displayed by the faculty. Such spirit remains as an ever-present guide for graduating seniors as "on through life they go."

Robert, for me these past two and a half years have been wonderful. I never thought we would get to last this long but now after this long, I hope we'll last forever.

Last year was great for me (and maybe for you too). I enjoyed every minute I was with you (except for the few times I got angry). Let's try and enjoy this year even more and in a few years (I hope) we'll look back to the happy times.

If any misunderstanding should come up, I hope we'll have enough sense to work something out so that everything will be normal or better. I never thought I would ever get to love you the way I do now.

Love you for always,
Algo

Westaco High, our faith in you

Shall never, never die.

Westaco High, our hearts are true,

We'll raise your name on high.

In victory or defeat we'll stand

Unmoved by friend or foe.

Your spirit be our guiding hand

As on through life we go.

Key Clubbers Serve With Integrity

Key Club members are (left to right): S. Rawe, T. Bradford, J. Weber, R. Johnston, A. Frost, A. Ming, A. McMullen, M. Bailey, R. Baxter, W. Heck, M. Pike, L. Wilson; S. Peery, G. Jones, J. Streit, B. Jenkins, B. Anderson, R. Betts, R. Cowley, S. McManus, R. Talbert, B. Osborne, K. Johnson, and W. Vest.

Key Club attempts to "bring out talents of high school leaders" as it serves the school and community. To be eligible for membership, boys must attain an 85 average or above. They are then voted on by members, with a limited class percentage being allowed to enter each year.

Since the Key Club is primarily a service organization, civic leaders often turn to it when in need of help for local projects, such as the local March of Dimes Bucket Brigade. Along with the Kiwanis Club, the Key Club sponsored Pancake Day this year. The profits were used to finance a \$200 scholarship presented to a deserving WHS student as well as various other projects.

Key Club officers for 1965-66 are Johnny Weber, treasurer; Steve Peery, secretary; Waverly Vest, president; and Bobby Jenkins, vice-president.

Y-Teens is a service organization on the Weslaco High School campus for girls. The group works toward service to the community as well as the school. Y-Teen members stood on street corners in unreasonably cold 37° weather several days collecting for the Bucket Brigade, a phase of the March of Dimes. Members of Y-Teens distributed programs during the Pigskin Jubilee, a Region 15 Interscholastic League competition and for the Weslaco Queen's Contest, part of the city-sponsored Fiesta de Armistad. Y-Teen girls also worked in booths at the annual Halloween Carnival, a P.T.A.-sponsored activity. During Thanksgiving the club members donated a box of food to give to a needy family. Y-Teen girls can be seen at almost any school- and civic-sponsored function.

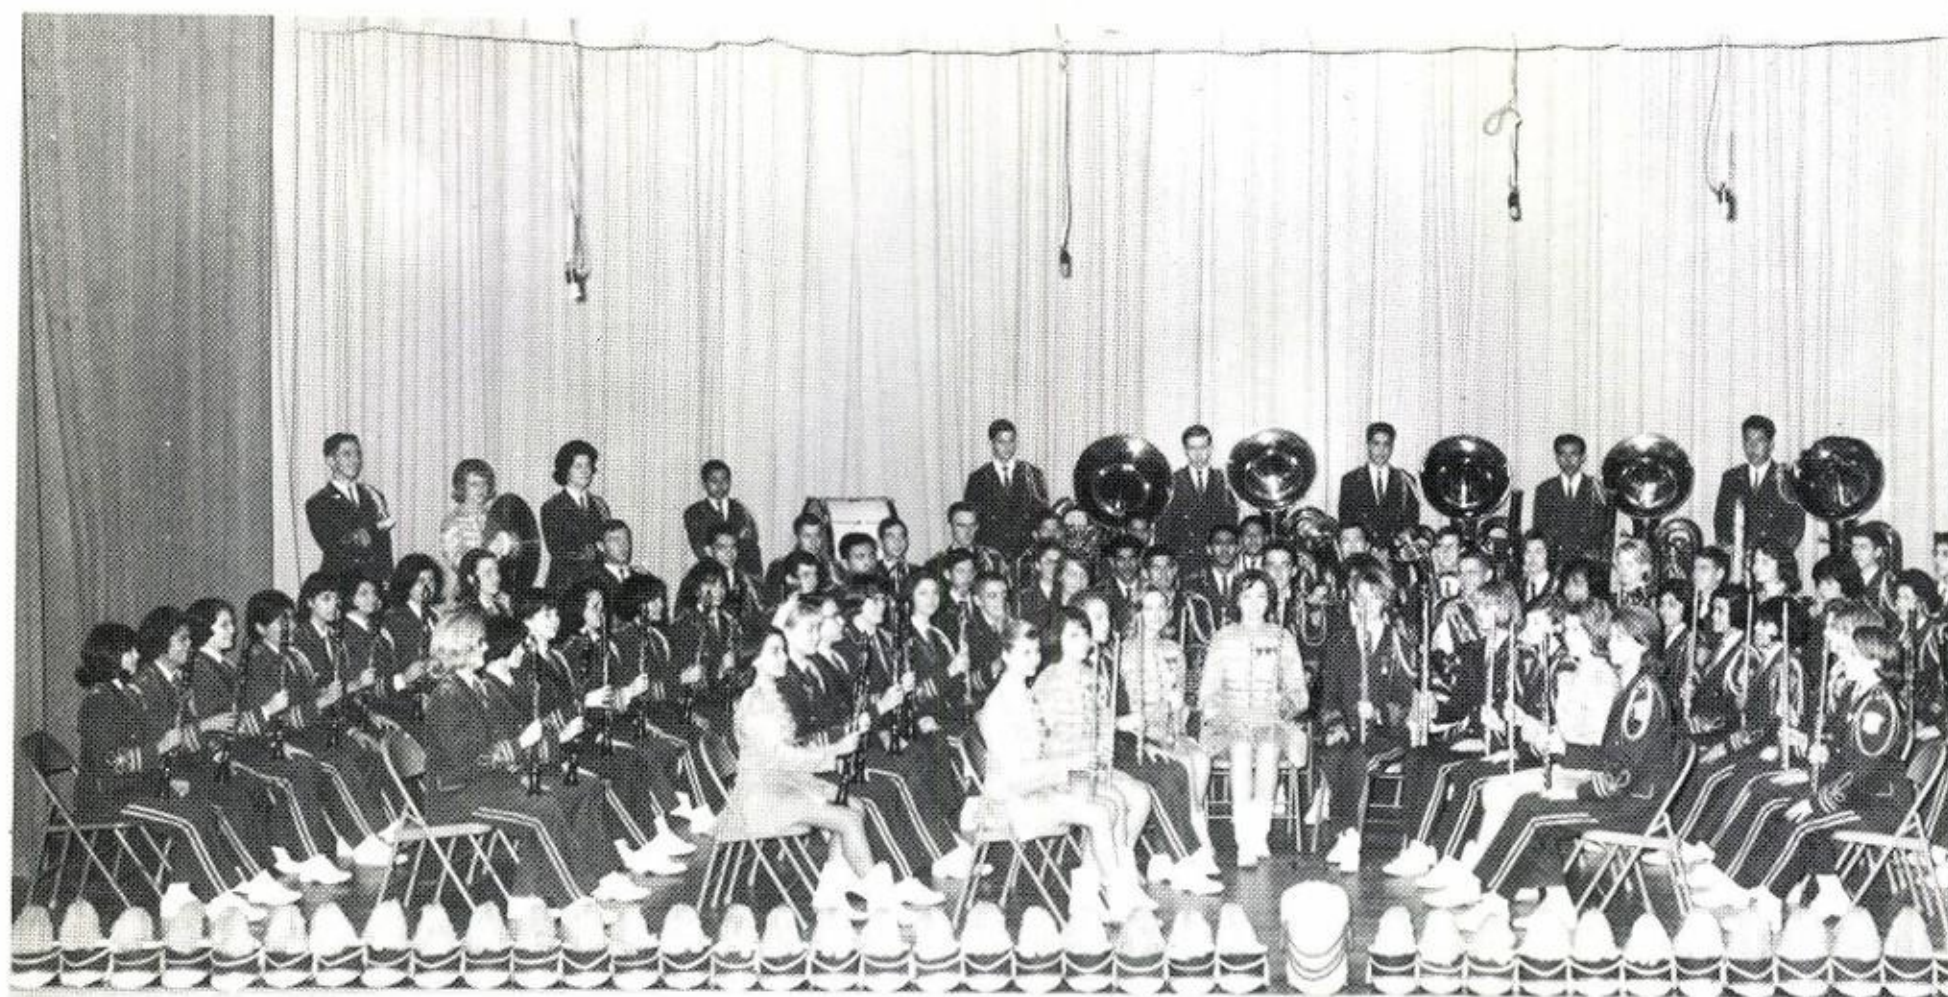

Y-Teen officers are (left to right) Diane Solether, Lillian Leach, Debbie Turberville, Virginia Frerking, and Parr Stover. They hold offices of president, secretary, vice president, Student Senate representative, and treasurer, respectively.

NHS Encourages Important Qualities

NHS officers are: Frances Cain, secretary; Diane Solether, historian; Jesus Mena, Student Senate rep.; Clara Lu Frerking, president; and Robert Crawford, vice-president. Not pictured is Johnny Weber, treasurer.

The National Honor Society is a high school organization, membership in which is based on scholarship, character, leadership, and service. The main objective of NHS is to promote these outstanding characteristics in students. The teachers of WHS select members on a percentage basis from the sophomore, junior, and senior classes from the eligibility lists. Members must be candidates for the academic plan and must maintain a scholastic average of 90 in each academic course.

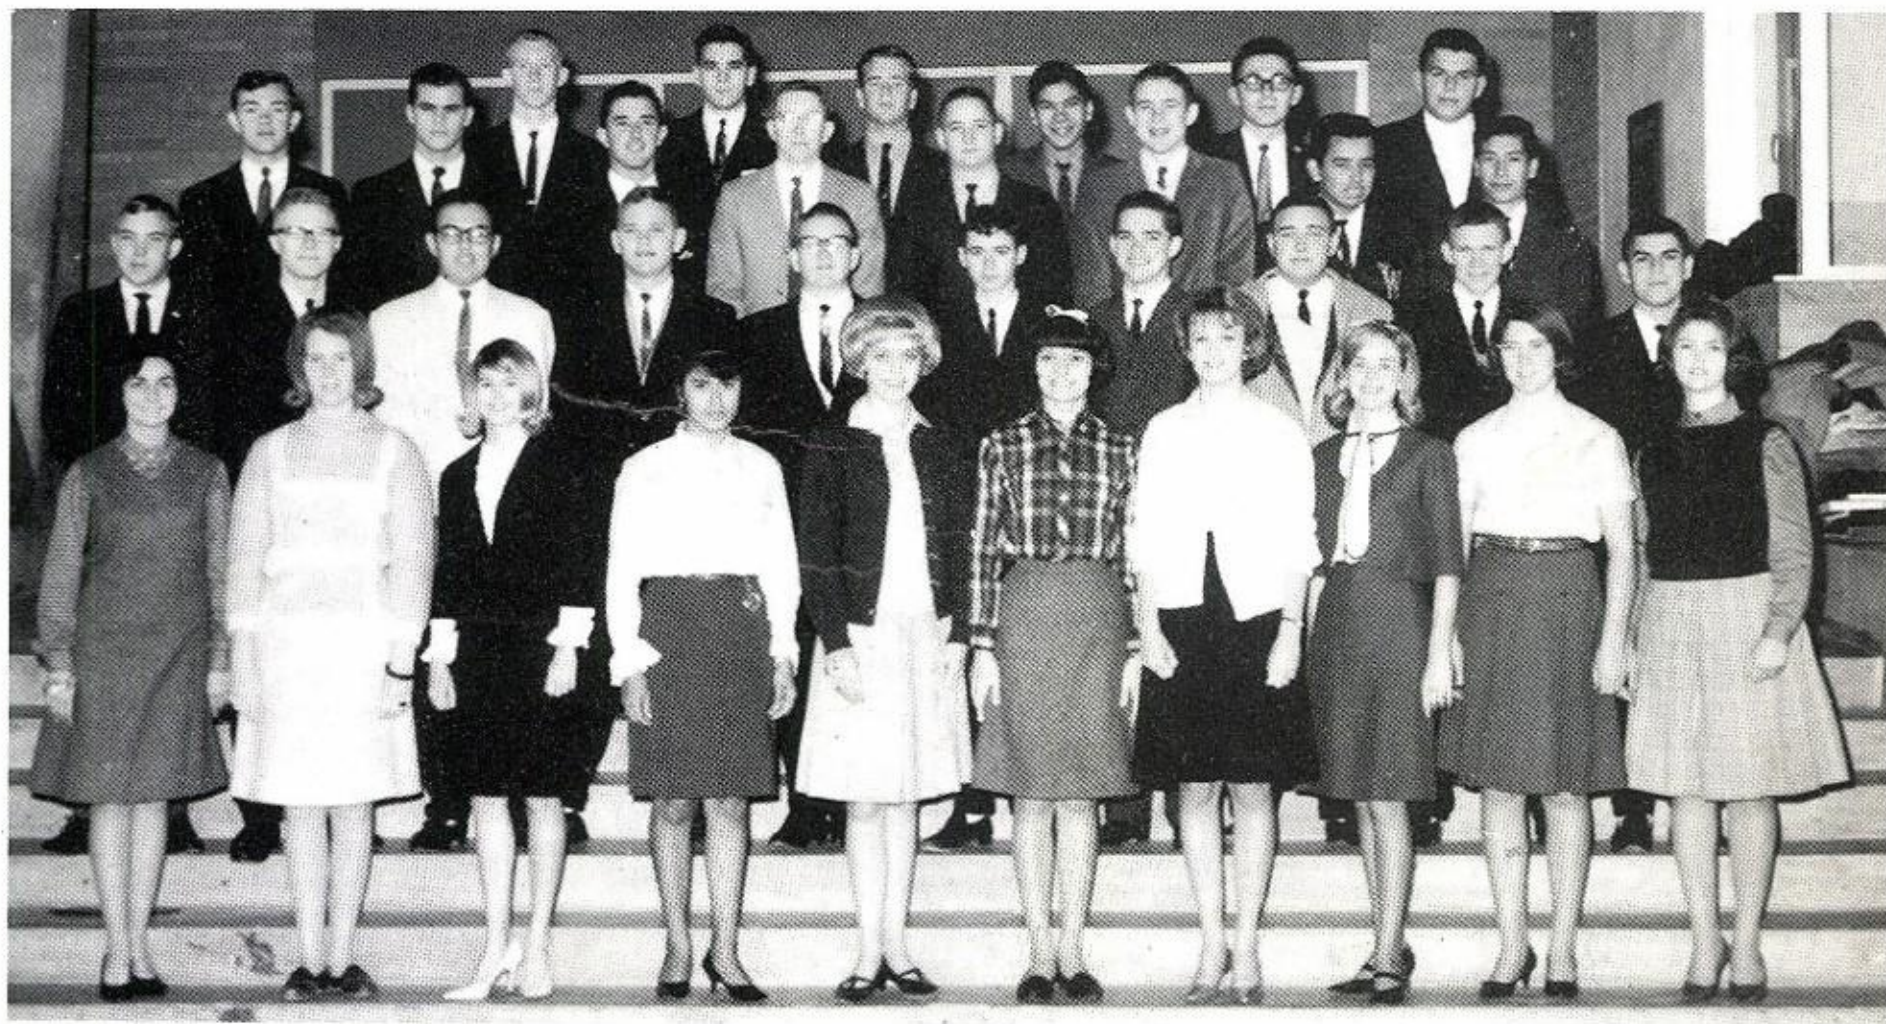

Activities for the club include a formal initiation of new members, an installation of new officers, and Christmas caroling at the Hidalgo County Old Folks Home. Students are informed of their selection into the National Honor Society early in the year in a surprise initiation assembly.

Phi-Chem-Bi Stresses Science Education

In existence since 1961, the Phi-Chem-Bi club now has a membership of sixty-six. The name of this organization is a representation of the three phases of science offered in W.H.S. (physics, chemistry, and biology). The three objectives of the club are knowledge and understanding, observation and skills, and interests and opportunities. These enable the members to gain and use science knowledge, to make repeated and accurate observations, and to develop an interest in the field of science.

Phi-Chem-Bi officers for the year are: (front row) Jerry Streit, president; Susan Tipton, secretary-treasurer; (back row) Steve Rawe, Student Senate representative; and Waverly Vest, vice-president.

Members of Phi-Chem-Bi are (first row) C. Mattar, D. Turberville, B. Burton, A. Espinoza, C. Frerking, B. Scott, B. Dawson, M. Wood, M. Ford, S. Tipton. (second row) S. Rawe, B. Henry, J. Sanchez, J. Vest, B. Anderson, J. Quintero, E. Salinas, and H. Salinas.

This year's choir officers are Sandy Morrison, president; Doug Myers, vice-president; Sharon Bondurant, secretary-treasurer; and Mary Cross, Student Senate representative.

This year's choir, directed by Mrs. Fouad Mattar, has participated in a variety of activities. The W.H.S. choir has given concerts for the student body, the new occupants of Wesley Manor, the Valley's winter visitors, and several Valley organizations.

Two members of the choir have won recognition, Pat LeMaster, regional choir, and Nancy McEachron, Yoder choir award.

An annual spring concert was held at which Sandy Morrison was named choir sweetheart and Frank Alton, beau.

Choir Boosts Spirit Through Song

Future Homemakers Explore New Horizons

The FHA motto, "Toward New Horizons," sums up the ideals and purposes of the club. Members of this club share the common interest of homemaking and they are learning and working to better their home and family lives through techniques learned in homemaking courses and activities of FHA. FHA is quite active on the WHS campus, and this year an officer, Dianne Luce, was named "The Homemaker of Tomorrow" of WHS. Another officer, Barbara Graham, was sponsored by the WHS chapter in the district elections for Area X Secretary. The chapter earned national recognition when it raised money and "adopted" a pre-school Vietnamese girl, Duong Thi Trang.

Leading FHA activities are officers A. Setter, T. Hopper, L. Wells, B. Graham, D. Michalk, S. White; (second row) N. Bunger, president; L. Leach, D. Luce, J. Johnson, J. Frost.

Members of FFA are: (front) A. Vasquez, A. Garza, J. Bell, T. Huefner, R. Garza, R. Lyles, R. Smith; (middle) G. Fojt, E. Champion, J. McDaniel, A. Downing, N. Alvarado, N. Ochoa, R. Garcia; (back) M. York, J. Maddings, R. Delgadillo, R. Vasquez, J. Bernal, P. Torres, D. Gray.

FFA'ers Practice Agrarian Skills

This year's Future Farmers of America officers are: (front) J. Bell, president; E. Champion, vice president; R. Smith, sentinel; (back) A. Vasquez, treasurer; A. Garza, Student Senate representative; and M. York, secretary.

FFA is the national organization for boys studying vocational agriculture in public schools. The chapter members share a common interest in learning farm and ranch skills.

Various FFA activities include a leadership contest and a grass identification contest in the fall. Chapter members also participate in the Mercedes Livestock Show and the Donna Lamb Show. This year two members, Johnny Harbison and Randy Smith, took part in the Houston Fat Stock Show in the spring. Other spring activities include a livestock and meat judging contest and the state FFA convention.

Future Teachers Explore Profession

The Future Teachers of America, an organization of students whose desire is to prepare for a teaching career, acquaints students with both good and less favorable aspects of this profession. Although this is only the second year the local FTA has been organized, it has gotten off to a good start with the combined efforts of both members and sponsors. During the past year FTA has undertaken various projects including the Christmas sing-songs and sample teaching of first-grade students. Several members attended the state convention in Austin and the area meeting in Corpus Christi.

Serving as FTA officers are (front row) C. Mattar, president; M. Frantz, parliamentarian; (back row) S. Rawe, treasurer; C. Frerking, vice-president; T. Hopper, historian; B. Henry, Student Senate representative; and (not shown) L. Leach, secretary.

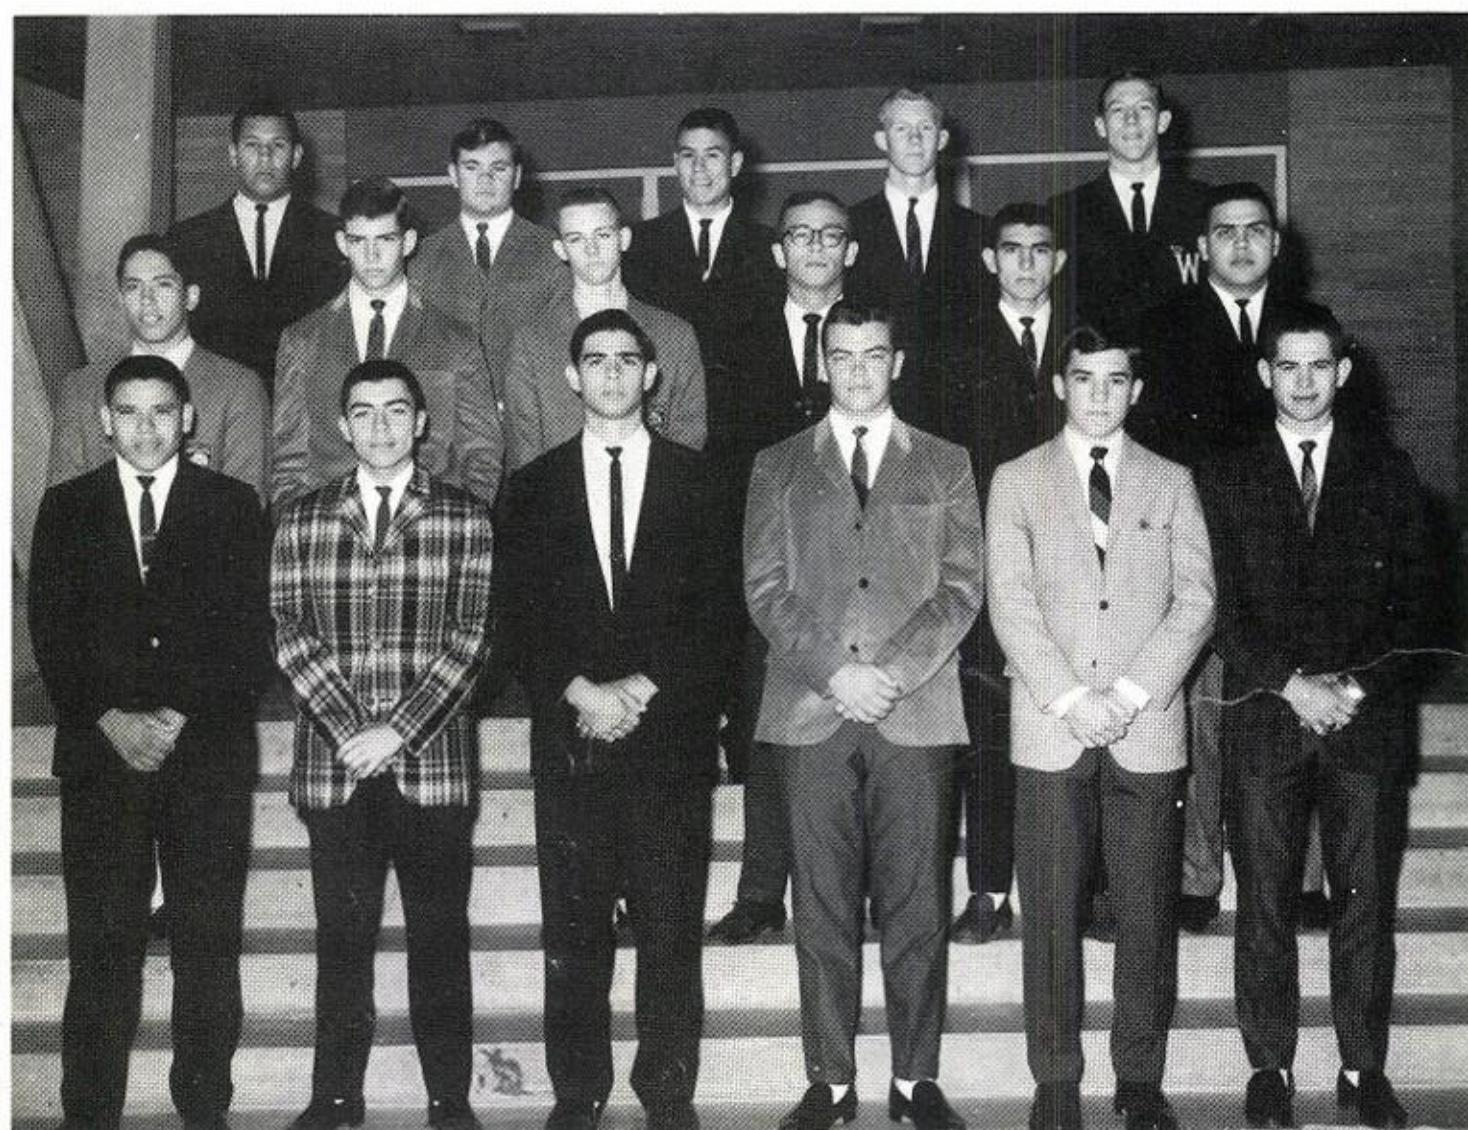

Members of FTA are (front row) T. Hopper, S. Graham, E. Lyons, L. Rodriguez, C. Mattar, V. Ellison, C. Wolfe, (back row) F. Garza, S. Rawe, B. Henry, C. Frerking, M. Anderson, J. Randolph, and M. Frantz.

Girls' Athletic Association members are (front) C. Mattar, S. Powell, T. Esparza, M. Gatton, C. Ligon, D. Silva, S. Aaron, N. Dickerson, T. McCaleb, J. Reyes, M. Larson, (middle) C. Johnson, J. Seeber, D. Burton, L. Powell, V. Ellison, A. Ligon, E. Torres, C. Wolfe, V. Roberts, L. Hernandez, D. Moore, (back) N. Wallace, L. McDaniel, B. McClure, N. Bachelder, C. Moore, S. White, S. Cazares, B. Allen, R. Luitjen, F. Willis, C. Beltran, B. Ussery, and P. Stover.

GAA's, Lettermen Sponsor Sports Events

This year's Lettermen's Club members are (front) D. Campos, W. Almaraz, R. Suarez, G. Morrow, R. Solether, B. Dodd, (middle) M. Fuentes, G. Jones, B. Wright, R. Betts, D. Reyna, F. Alton, (back) A. Ramirez, R. Wright, P. Vasquez, K. McRay, and A. McMullen.

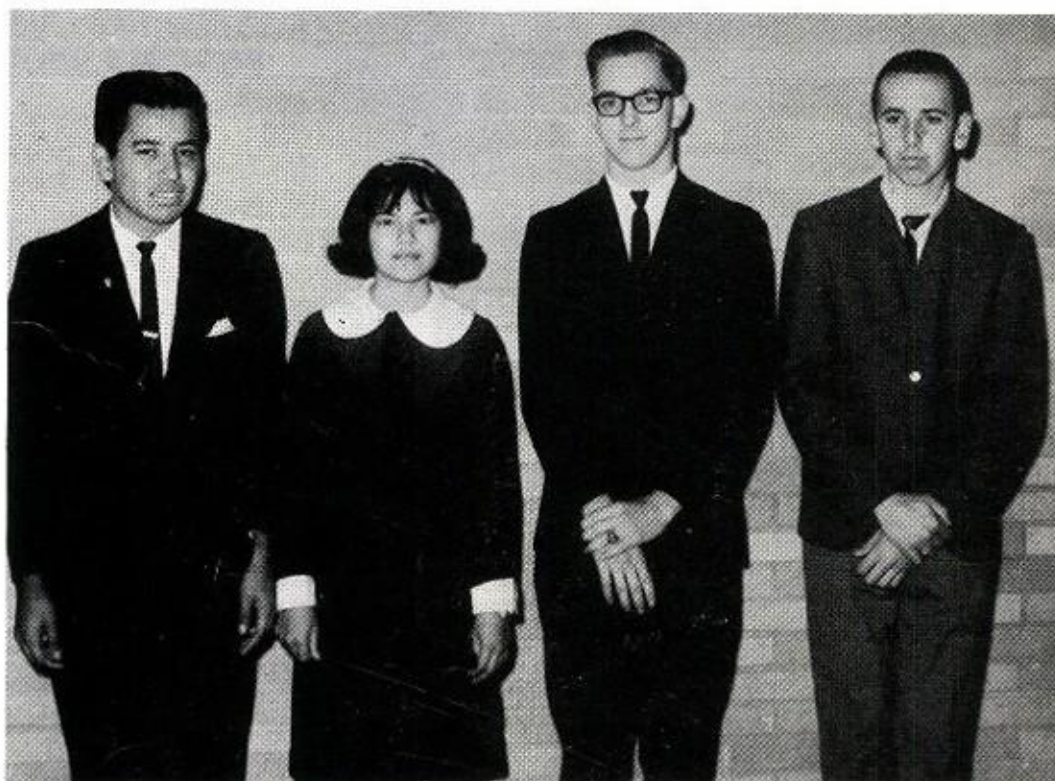

Pan American Student Forum members include (front) J. Valdez, A. Perez, A. Coronado, E. Bungarin, (middle) N. Ramon, A. de Luna, E. Garza, A. Espinosa, M. Cortez, Y. Salinas, (back) J. Orregon, S. Henry, E. Salinas, J. Mena, and J. Quintero.

PASF Stimulates Better Understanding

A better understanding of Latin America and improved inter-American relations constitute the main goals of the Pan American Student Forum. The Pan American Student Forum programs introduce the members to the customs and history of Latin America by means of informative films and other events prepared by a special committee. Working toward inter-American relations, Weslaco Forum members have undertaken a goodwill project in South America this year. With the aid of CARE, the organization has sent educational tools such as pencils, crayons, paper, schoolbags, etc. to aid schools in underdeveloped areas in Chile.

The local chapter also joins in state PASF activities. The Forum chooses two delegates to attend the state convention in Austin, the representatives being chosen according to loyalty, leadership, and service to the club. PASF also sponsors an initiation party and an end-of-the-year party.

Pan American Student Forum officers are Jesus Mena, president; Alma Coronado, secretary; Stephen Henry, vice-president; and Javier Orregon, Student Senate representative.

Student Senators are: K. Frantz, B. Graham, T. Hopper, J. Johnson, C. Mattar, N. Binger, C. Davis, O. Garza; F. Garza, J. Weber, V. Frerking, E. Webber, S. Tipton, F. Cain, E. Frerking; M. Fernandez, E. Salinas, J. Mena, S. Henry, S. Rowe, and A. McMullen.

Early Experience Produces Future Leaders

Heading Student Senate activities are: E. Webber, corresponding secretary; S. Tipton, treasurer; C. Davis, vice-president; L. Rodriguez, parliamentarian; E. Salinas, election commissioner; C. Moore, recording secretary; T. Hopper, chaplain; A. McMullen, president.

Because Student Senate work is hard and time consuming, only the fittest students are elected members. The Student Senate undertook a new project, the publishing of a student directory containing the names, phone numbers, and addresses of all students. One of the money making efforts the Senate supports is selling covers for LaPalma. The Senate has taken student problems to the administration and brought back good results. With the Senate president presiding, a special committee officiates at all general assemblies. An election commission, headed by a commissioner, conducts all general elections. Members of the Senate acted as guides during spring orientation of freshmen.

Familiar to all students on campus is the WHS Hi-Life staff. Composed entirely of journalism students, this group works continuous hours to meet the deadline for the school newspaper. Each week, excepting the weeks during six weeks' and final exams, this paper containing all campus news is sold to students at a small cost of five cents a copy. Much preparation goes into the making of each issue of this paper, and no one is without work. Each staff member is responsible for laying out pages, selling ads, determining the amount of space to be allowed for pictures and advertisements, editing copy, and furnishing news. Truly, much time and effort is spent to put out a Hi-Life for WHS.

Managing Hi-Life activities are Billy Wright, sports editor; Gina Beth Allen, feature and sports editor; and Stephen Henry, editor in chief.

Journalists Record Campus Activities

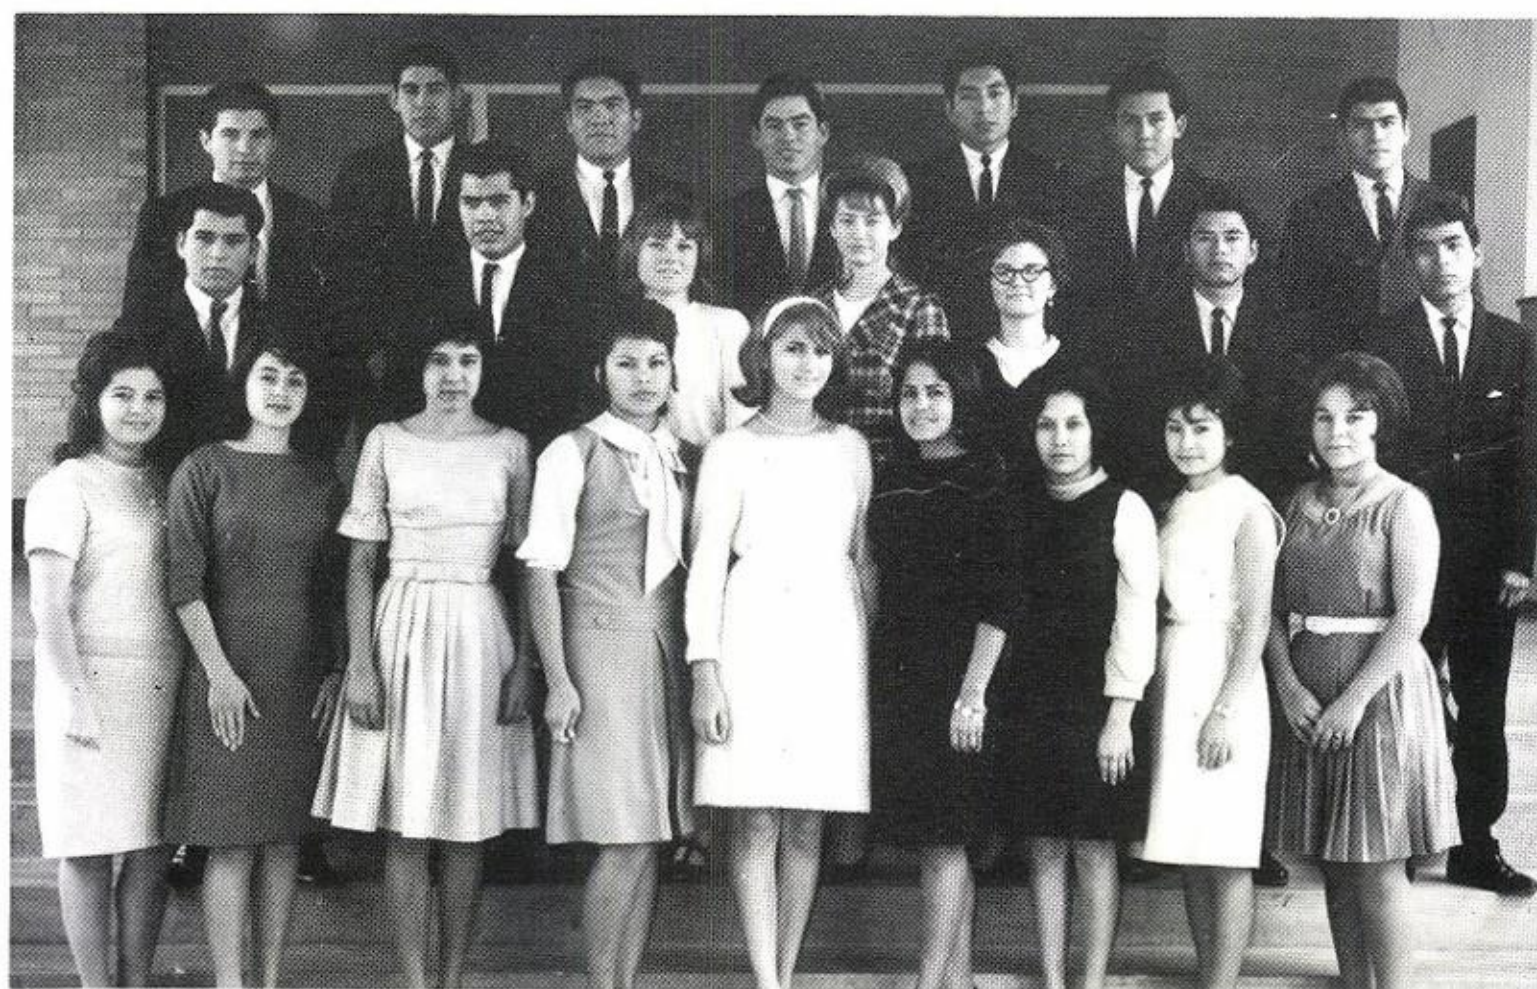

Hi-Life staff members include R. Vela, N. Carranza, S. Vimig, F. de Leon, M. Bowden, J. McDaniel, D. Pena, (back) E. Johnston, J. Johnson, B. Wright, G. Allen, S. Henry, and A. Smith.

Distributive Education members are (front) I. Garza, A. Aguirre, T. Castillo, M. Martinez, D. Aguirre, V. Ramirez, E. Valdez, V. Villareal, A. Rivera, (middle) P. Garcia, V. Mejia, F. Hernandez, F. Trevino, G. Gonzalez, J. McGhee, S. Henrichson, R. Krause, (back) O. Ortiz, R. Garza, F. Cerda, J. Carranza, P. Martinez, T. Salinas, and D. Silva.

DE, ICT Furnish On-Job Training

Members of the Vocational Industrial Clubs of America are (front) J. Barrera, M. Flores, M. Rodriguez, M. Casarez, D. Sanchez, E. Garcia, C. Ybarra, R. Lugo, (middle) S. Martinez, G. Angeles, J. Phillips, L. Potter, J. Burress, W. Martinez, J. Perez, (back) J. Moreno, M. LosSantos, H. de la Rosa, R. Perez, A. Ledesma, J. Hernandez, and L. de Siga.

"Brainstorming" to prepare the 1966 La Palma are staff members (left to right) Mary Anderson, Jesus Mena, Diane Overdiek, Ronnie Crawford, Barbara Graham, and Steve Rowe.

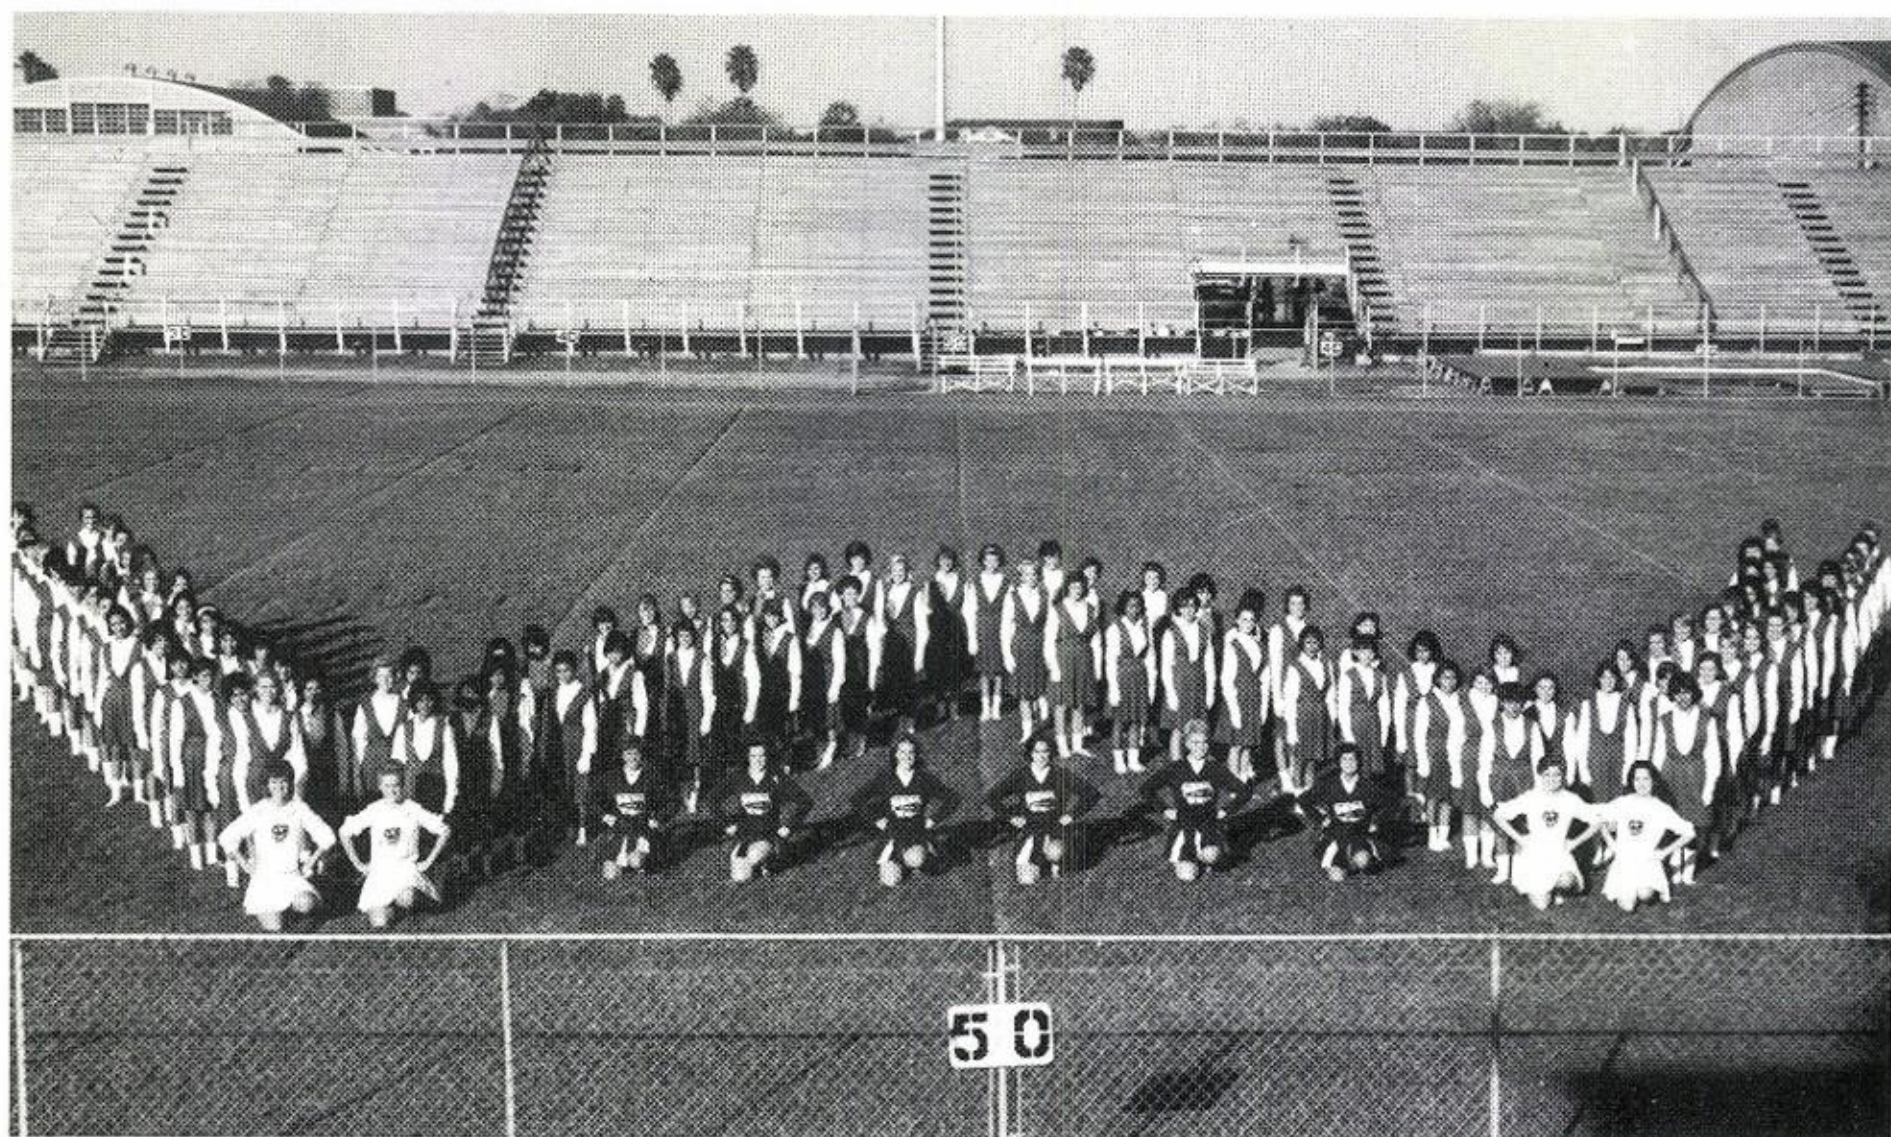

Annual Staff Records School Year

Planning layouts and performing clerical duties are the responsibilities of Sharon White, assistant editor; Robert Crawford, editor; and Diane Luce, business manager.

All phases of campus life, curricular and extra-curricular, are recorded in the annual publication of W.H.S. All organizations on campus and their activities are recorded in the annual. The La Palma also includes activities such as Graduation, Junior-Senior Prom, football and other sports (including records and scores), Mr. and Miss W.H.S., and U.I.L. contestants and winners.

The La Palma staff is a unique organization on campus. Its members work each day in a regular class to plan and prepare the annual. For this work the members receive no credit in grade points. However, the staff enjoys working to produce the La Palma. The typical question "Anybody got a new record to play today?" sets the pace for a day's "work" in class.

Backing the WHS Panthers at all football games is the Pep Squad. The girls, attired in purple and white uniforms and waving pom poms, are present to cheer for the Panthers. The main purposes of the Pep Squad are to create school spirit for sports and to support the Panthers during all activities. Dues from the Pep Squad members go to pay for the annual Panther Football banquet. This year at the banquet Ricky Wright was honored as Pep Squad Beau. The Pep Squad, dressed in uniforms, also served at the Panther-Pantherette Banquet.

At the pep rally for the homecoming game Martha Hubbard was named the Pep Squad Spirit of the Year and Mr. Jack Frost was honored by the Pep Squad as the Panther Patriot.

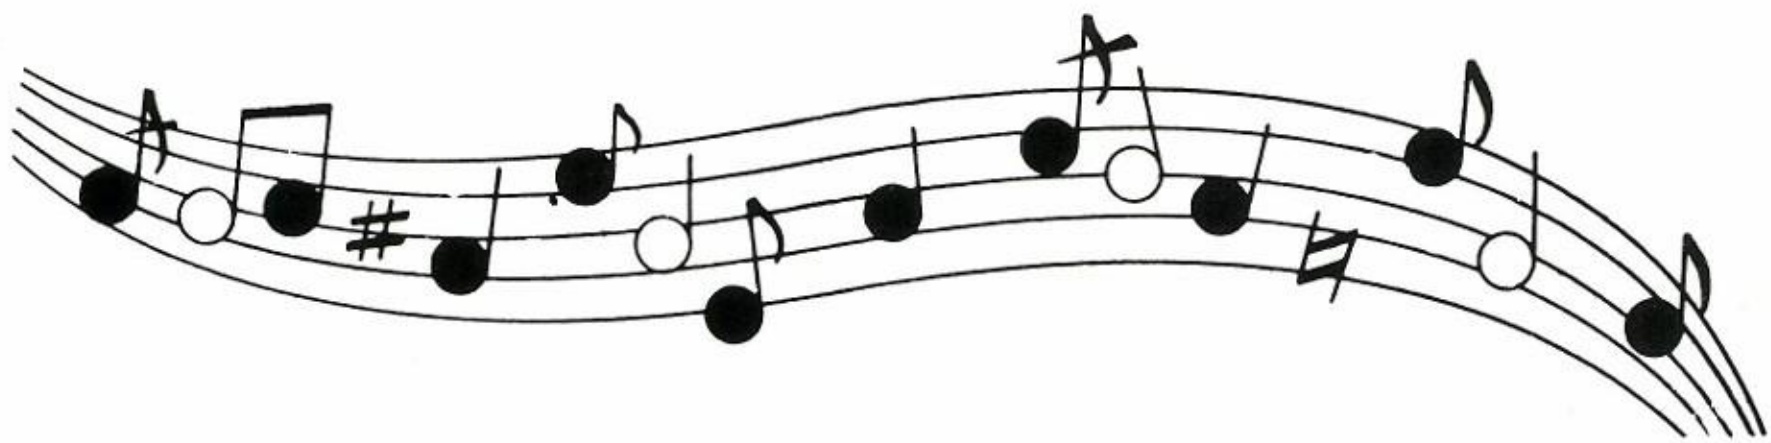

Showing off Henry the Panther are the substitute cheerleaders Mary Anderson, Diane Solether, Pam Stover, and Lillian Leach.

Junior Doug Meyers (left) and his brother Wayne enthusiastically greet Mir Aqa Kabiri, their Afghanistan "brother" and Weslaco High's foreign exchange student, at the McAllen airport and present him with a ten-gallon hat.

On behalf of the school, Student Senate President Andy McMullen (left) welcomes Mir Aqa to Weslaco High at a special assembly in September.

Mir Aqa Brings Eastern Culture

WESLACO HIGH SCHOOL
WESLACO, TEXAS

May 27, 1966

Dear Students and Faculty:

I would like to write a few sentences in this annual for myself and for other students too.

Before I came, I was very curious about Texas and it seemed to me very strange, and finally I attained this desire to see Texas, to live with a family in Texas, and to meet Texas men, women, boys and girls.

Though I did not live here too long, only about 10 months, from the experience which I gained here, I can clearly claim that Americans are very hospitable, kind, friendly and very honest people.

I would like to thank the Myers family very much for opening their house unto me, and for adopting me as their own son, and for the love which we had and shall have forever for each other.

I certainly thank Weslaco High school's principal, Mr. Howard Murchison, the counselor, Mr. David Anderson; Coach Gary Fletcher (assistant principal) and all the teachers and students for their warm friendship to me, and to the country from which I came.

It was a wonderful year for me, and I will have a lot of memories from Texas, especially from Weslaco and the people of Weslaco. I will never forget them.

And again, thank you very much for your friendship.

Sincerely,

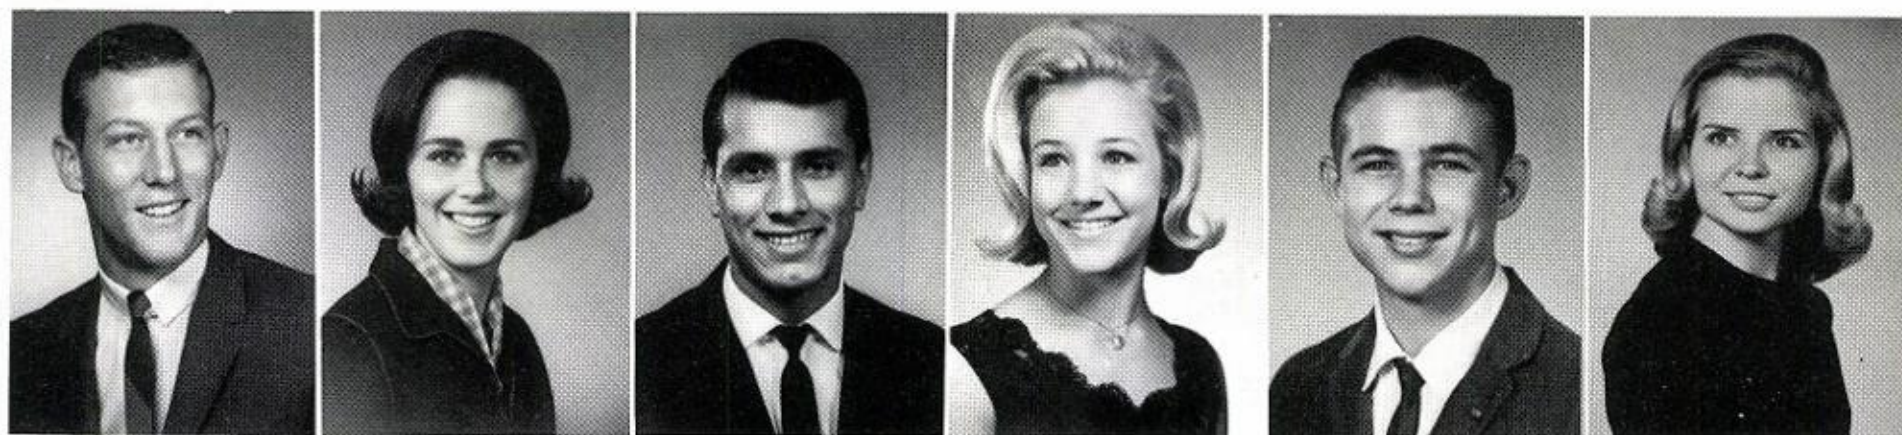

Mir Aqa Kabiri

Mir Aqa Kabiri

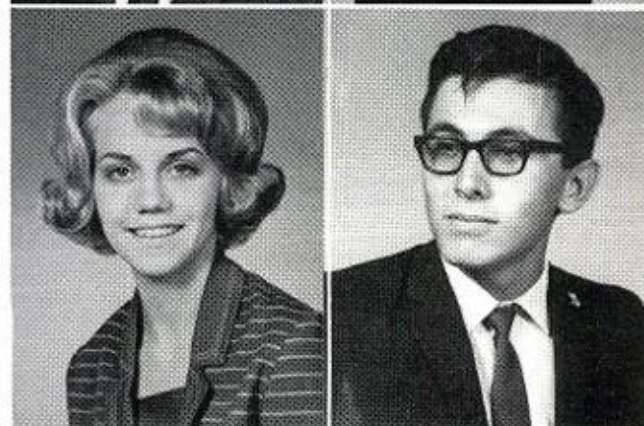

P.S. If any one of you ever come to Kabul (Afghanistan), be sure to see me. You can get my address from the Peace Corps director in Kabul.

Looking through a book about Afghanistan, Mir Aqa's homeland, are Mr. and Mrs. Victor Myers, Mir Aqa, Doug, and Wayne.

Panthers Rebuild for '66 Season

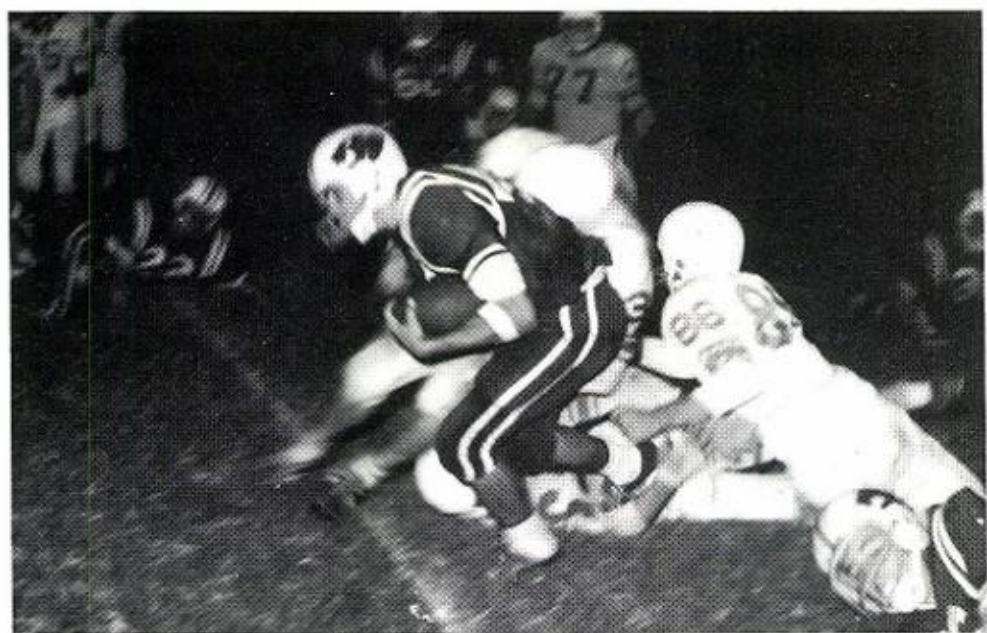

After speaking to school athletes at the Panther-Pantherette Banquet Feb. 11, Y.A. Tittle, former New York Giant, gives his autograph to junior Bruce Osborne while Coach J.D. Centilli looks on.

Beginning with a 7-7 tie with the La Feria Lions on Sept. 11, Weslaco plunged into a difficult football season. A 31-7 loss to the Harlingen Cardinals Sept. 17 was followed by a Raymondville Bearkat 7-0 tally on Sept. 24.

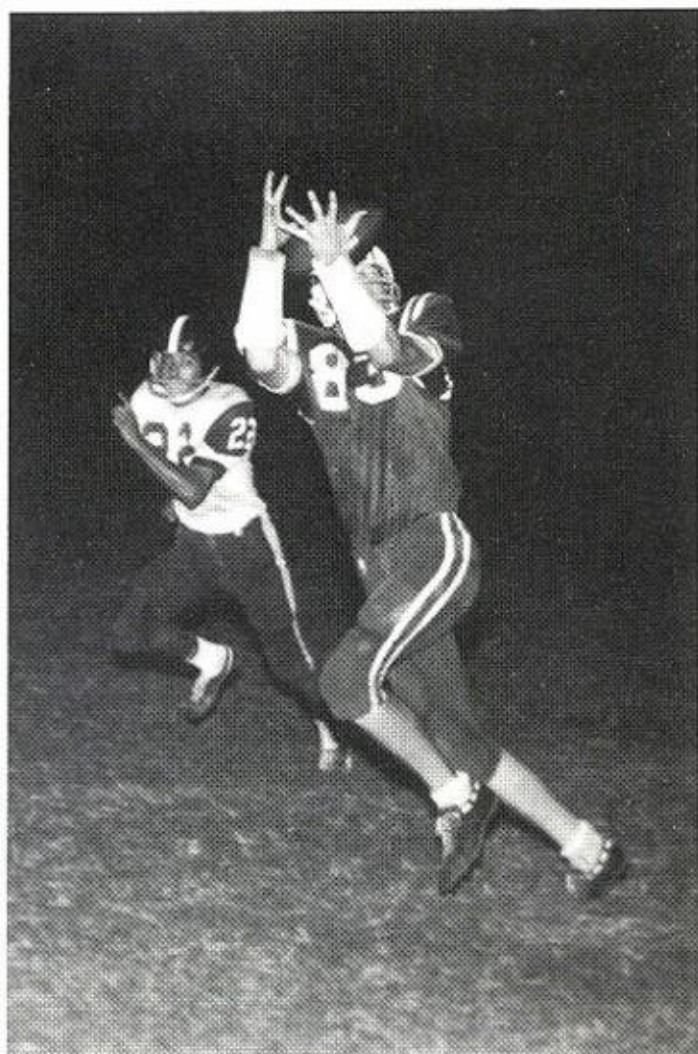

The Panthers unyieldingly fought the district-favored Donna Redskins Oct. 1. With only three seconds left in the fourth quarter, the scoreboard showed a score of 15-14 in Donna's favor. With Weslaco's touchdown came the choice of going for the extra point and a tie or for the two-point conversion and a victory. The Panthers gambled but failed by inches. The score remained 15-14.

Two succeeding games resulted in seven-point losses each: Rio Grande City Rattlers 7-0 on Oct. 8 and Mission Eagles 15-8 on Oct. 15. The Panthers fell to the Robstown Cottonpickers 36-6 Oct. 22 and then to the Mercedes Tigers 14-0 Oct. 29.

Following an open date Nov. 5, the Panthers battled the PSJA Bears, second contender for the district crown, but were defeated 21-7. The homecoming game with the Falfurrias Jerseys on Nov. 19 ended the season with a 14-6 loss for the Weslaco Panthers.

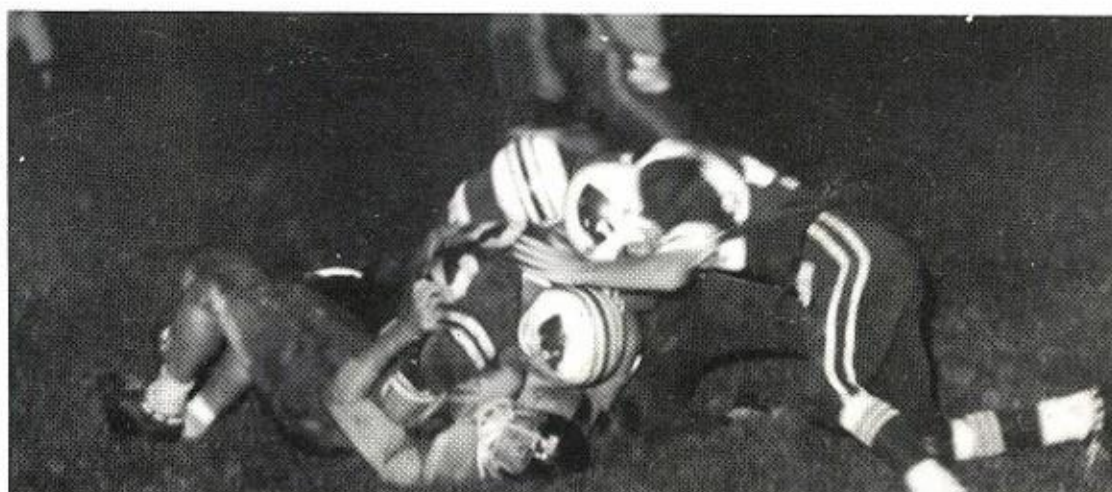

Panther halfback Richard Suarez breaks away from three Mercedes Tigers to complete short yardage for a first down.

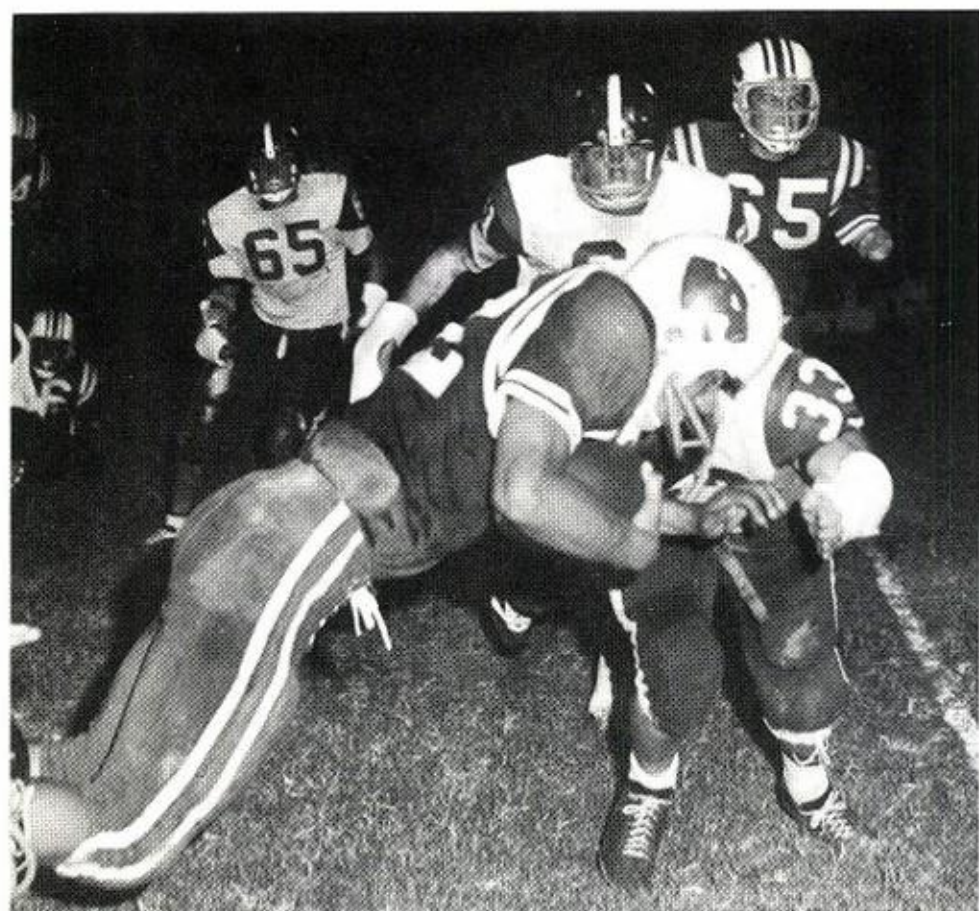

Though being pursued by a Mission Eagle, Panther end Andy McMullen pulls the ball from the air and makes a long run before being brought down.

Panthers block Cottonpickers in order for quarterback Ken McRay to hustle down field and pick up needed yardage.

Before the Redskin quarterback is able to return the ball to the line of scrimmage, three Weslaco Panthers charge in and bring him down for a yardage loss.

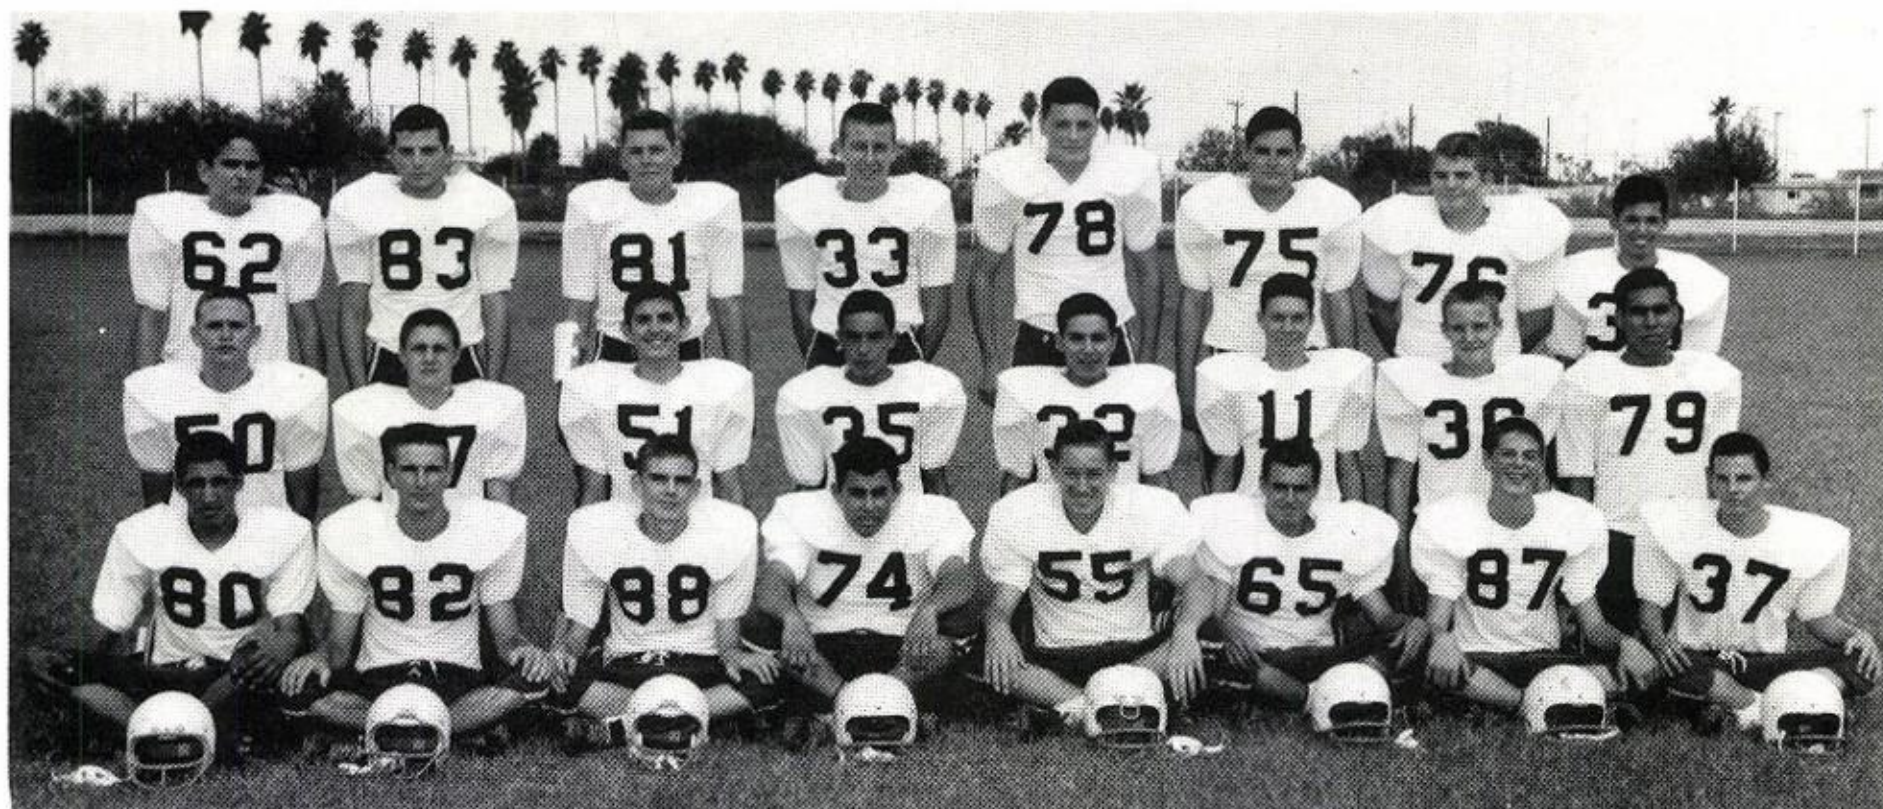

Manuel Fuentes carries for short yardage in the fourth quarter of the Mission game while Lee Fisher of Mission makes the stop. (photo courtesy of the Mission Eagle).

Though young and inexperienced, the Weslaco Panther B team and freshmen proved to be spirited competitors. Kicking off with a 16-0 victory over Harlingen, the B team went on to defeat Edinburg 26-8. These two wins gave them the faith that they could succeed again, and they did, defeating Raymondville 16-0. Their 3-0 record received two blows when they were stopped by the Mission Eagle B team 48-6 and Mercedes 18-0. The B team and freshmen team were combined against Mercedes for the last game of the season. The year ended with a record of many more wins than losses. The performance of these two teams during the year showed definite promise for the coming years. The boys on these teams are expected to return in the fall of '66 to begin workouts for the season and to augment the Varsity Squad.

Freshmen

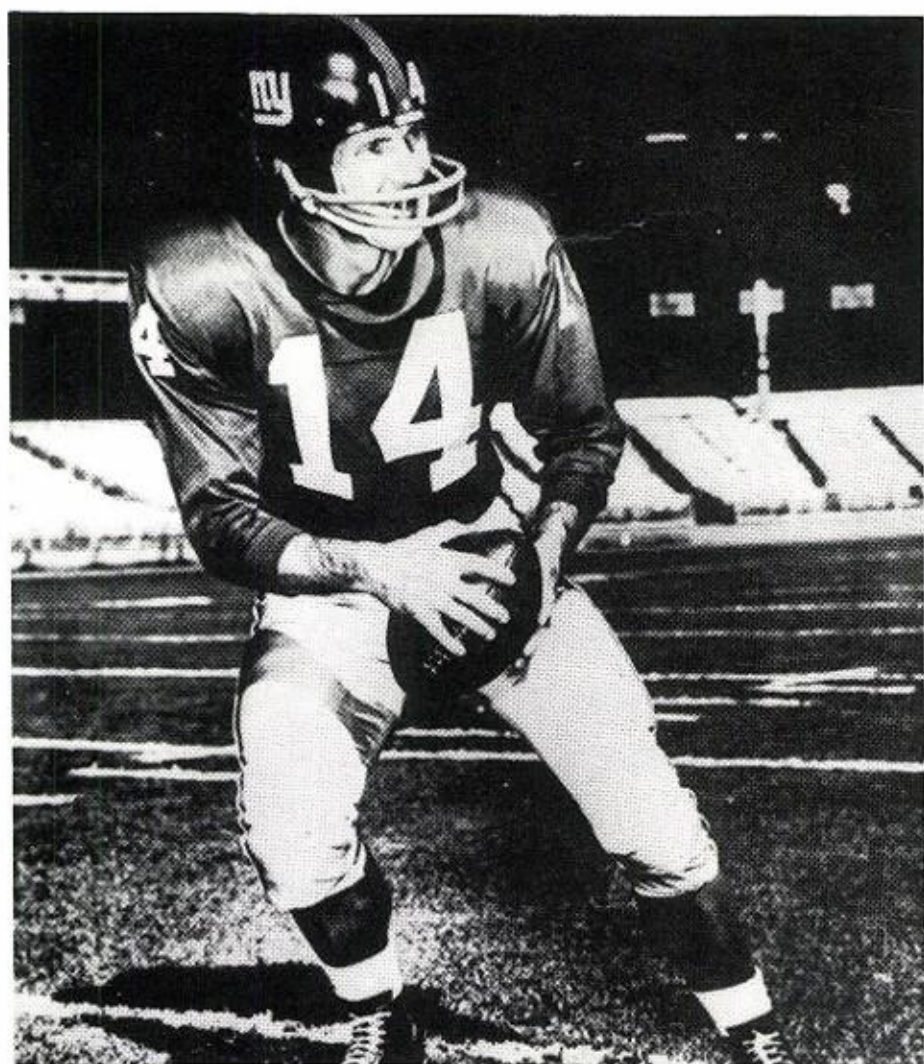

Coached by Howell Coleman, the Freshman team includes J. Garza, G. Solether, L. Pickard, R. Morales, and A. Avalos; C. Wood, J. Villarreal, B. Schuford, G. Bullion, and K. Schill; M. Donalson, J. Hernandez, H. Talbert, R. Garza, and G. Pena.

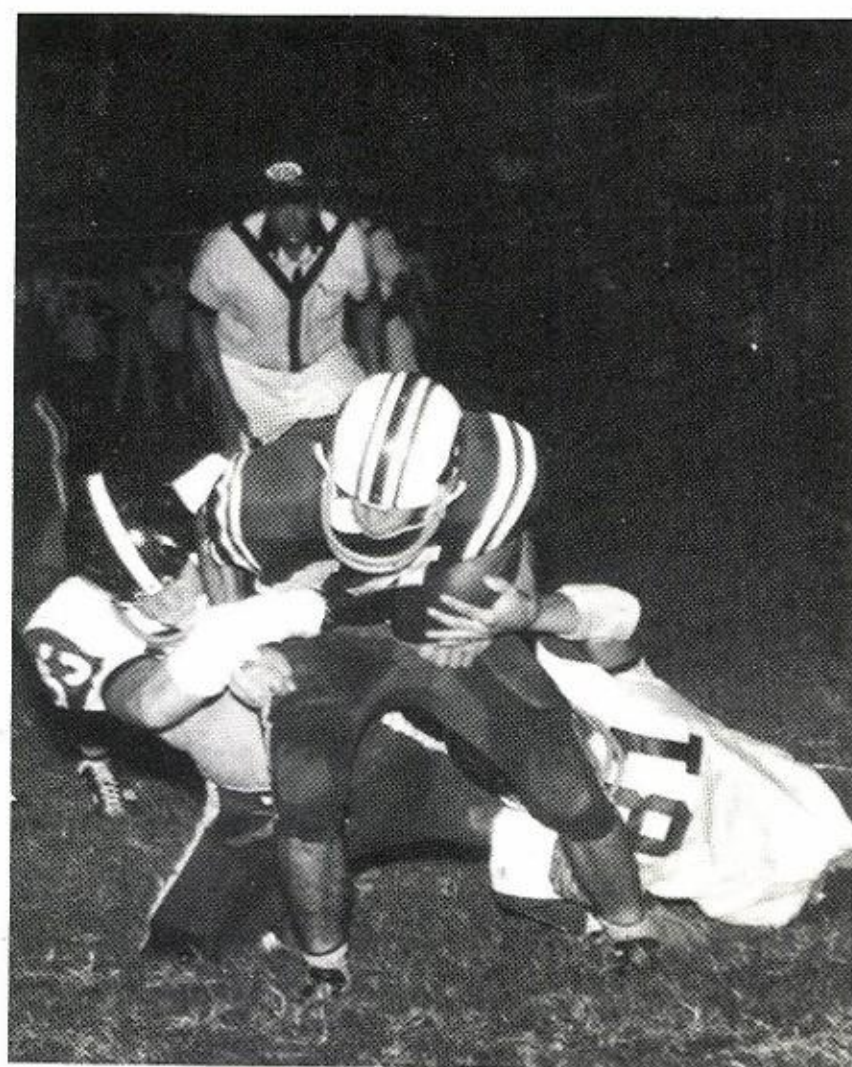

Panther B-Team members, coached by Mr. Edward Marchak are: L. Bustillos, J. Sens, M. Phillips, J. Rorres, R. Cowley, J. Miracle, D. Arnold, and J. Peck; J. Green, S. Wright, J. Sepulveda, J. Cavazos, P. Castaneda, B. Drake, T. Bradford and G. Morales; J. Madden, L. Colvin, G. Fojt, D. Whitley, A. Smith, A. Noriega, M. Raleigh and A. Elizondo.

B-Team Battle for Football Honors

Panthers invited professional football player Y. A. Tittle to speak at the annual Panther Banquet. Tittle, past quarterback for several football teams, and present coach of the San Francisco 49er's gave the main address at the banquet.

Paying no attention to the two Mission Eagles attempting to bring him down, Richard Suarez strives to break away for additional yardage.

Varsity basketball players for '66-'67 include (starting at top left) Dickey Wallace, Brooks Boutwell, Steve Peery, Johnny Weber, Bert Dodd, Ken McRay, Waverly Vest, Billy Wright, Andy McMullen, Bobby Jenkins, Bruce Osborne, and Bobby Swinnea.

Dick Wallace attempts a field goal at the second game of the district championship. Donna Redskins reach for the ball but help it through. The Panthers went on to win and tie 1-1.

Panthers Win Zone; Advance to Playoffs

Forward Bobby Swinnea shoots long for two points and a half-time lead in the district championship final game.

Bobby Jenkins passes the ball to the sideline hoping a team member may have a chance to shoot a basket.

Panther guard Billy Wright takes a lay-up shot for two points and a lead over the Mercedes Tigers in early season competition.

The Pantherette B team, under the coaching supervision of Miss Evelyn Reisser, is the training team for the varsity Pantherettes. The members attend all practice sessions and exert the same amount of work as the varsity squad. Many of these girls move up to the varsity team after gaining valuable playing experience needed for them to skillfully compete in varsity basketball.

Varsity Pantherette coach Dessie Heald listens to a letter read by a young Panther fan at a pep rally.

Displaying the track trophy is Bobbie Praytor, high-point girl at the district meet.

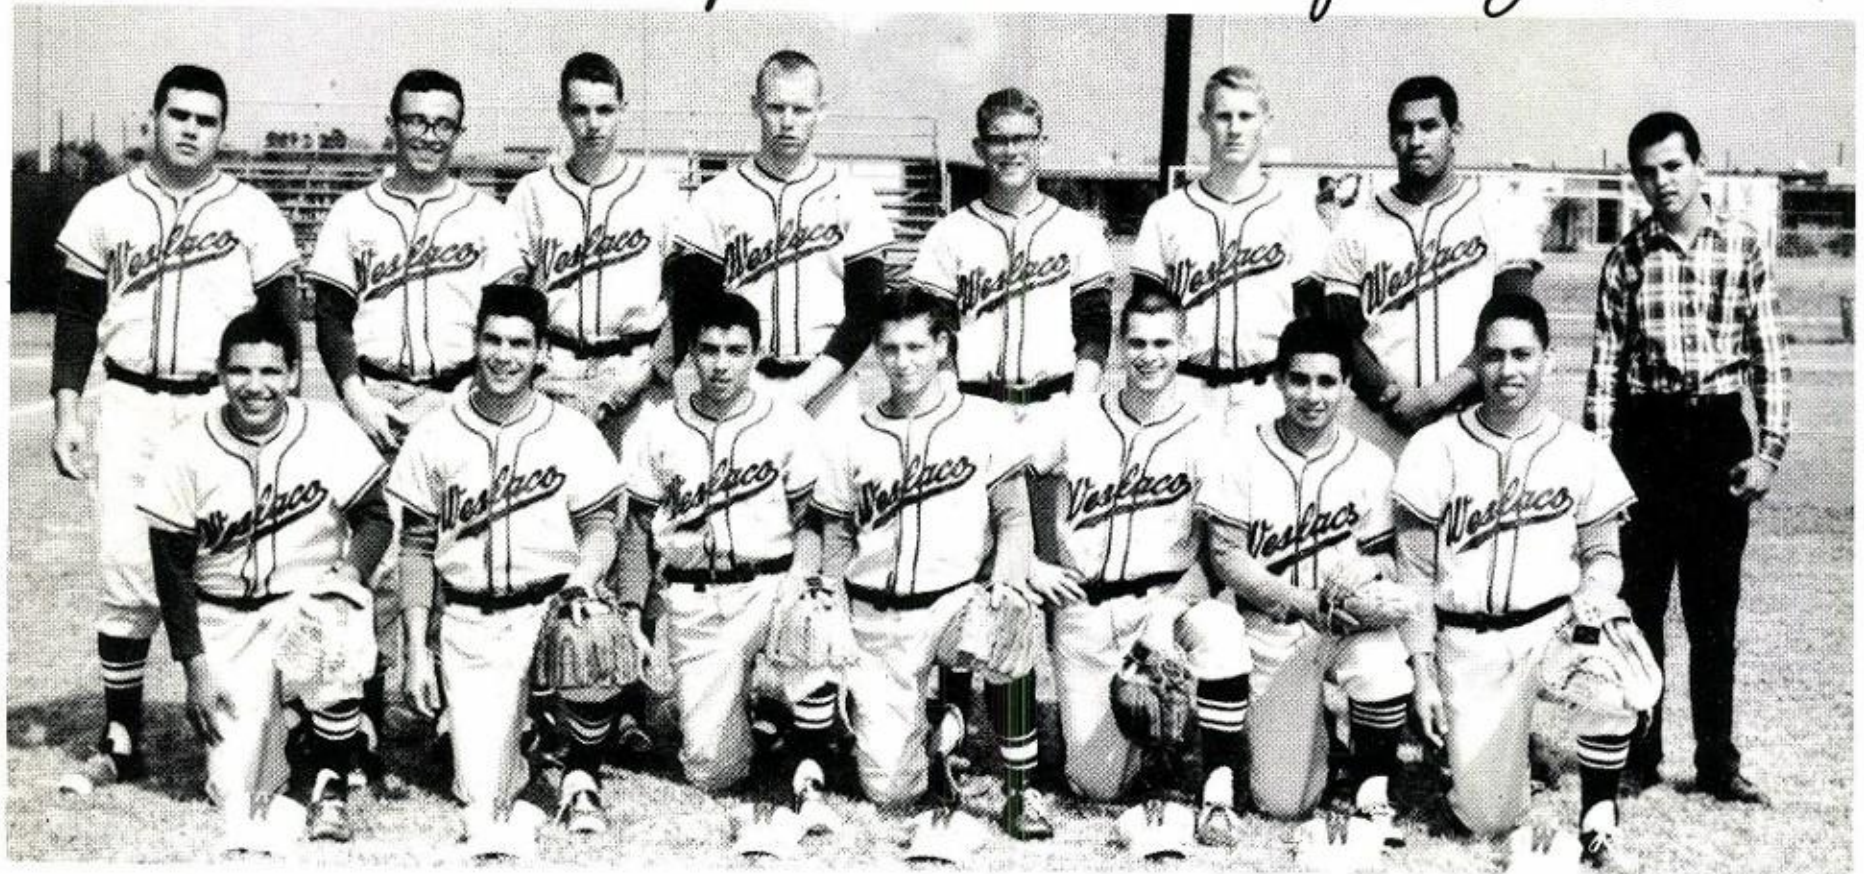

Basketball "Captains of the Year" are Becky McClure and Laura Kay Powell. Becky also received the Flour Bluff Tournament trophy.

Honors Conferred on Girl Athletes

Winning first in district in track are B. Payne, V. Roberts, I. Lugo, B. Burton, A. Porter, B. Praytor, B. McClure; J. Reyna, J. Bullion, F. Willis, L. Villarreal, B. Ussery, and A. Villarreal. Posing with the girls are Superintendent Jack Frost, Coach Dessie Heald, and Principal, Howard Murchison.

Robstown Edges Panthers for 3 one

Members of this year's WHS baseball team are (kneeling): D. Campos, R. Reyna, W. Almaraz, G. Bullion, B. Dodd, P. Casteneda, M. Fuentes. (standing): F. Alton, R. Betts, J. Keller, B. Osborne, B. Jenkins, K. McRay, A. Ramirez, and J. Gonzalez.

Reaching out to successfully gain the ball is Frank Alton, first baseman.

Members of the track team are R. Arredondo, J. Garcia, A. Salinas, P. Castaneda, R. Campos, R. Solether, and D. Reyna, A. Noriega, G. Jones, B. Osborne, R. Cowley, K. McRay, D. Whitley, J. McFall, and R. Suarez.

Golf, Tennis Swing

Ready for action in spring competition are Pam Stover, Frances Cain, Lois McDaniel, and Cece Mattar.

Line-up of boys representing WHS in tennis consists of Jim Hubbard, Scott Roberts, and Pat Haverfield.

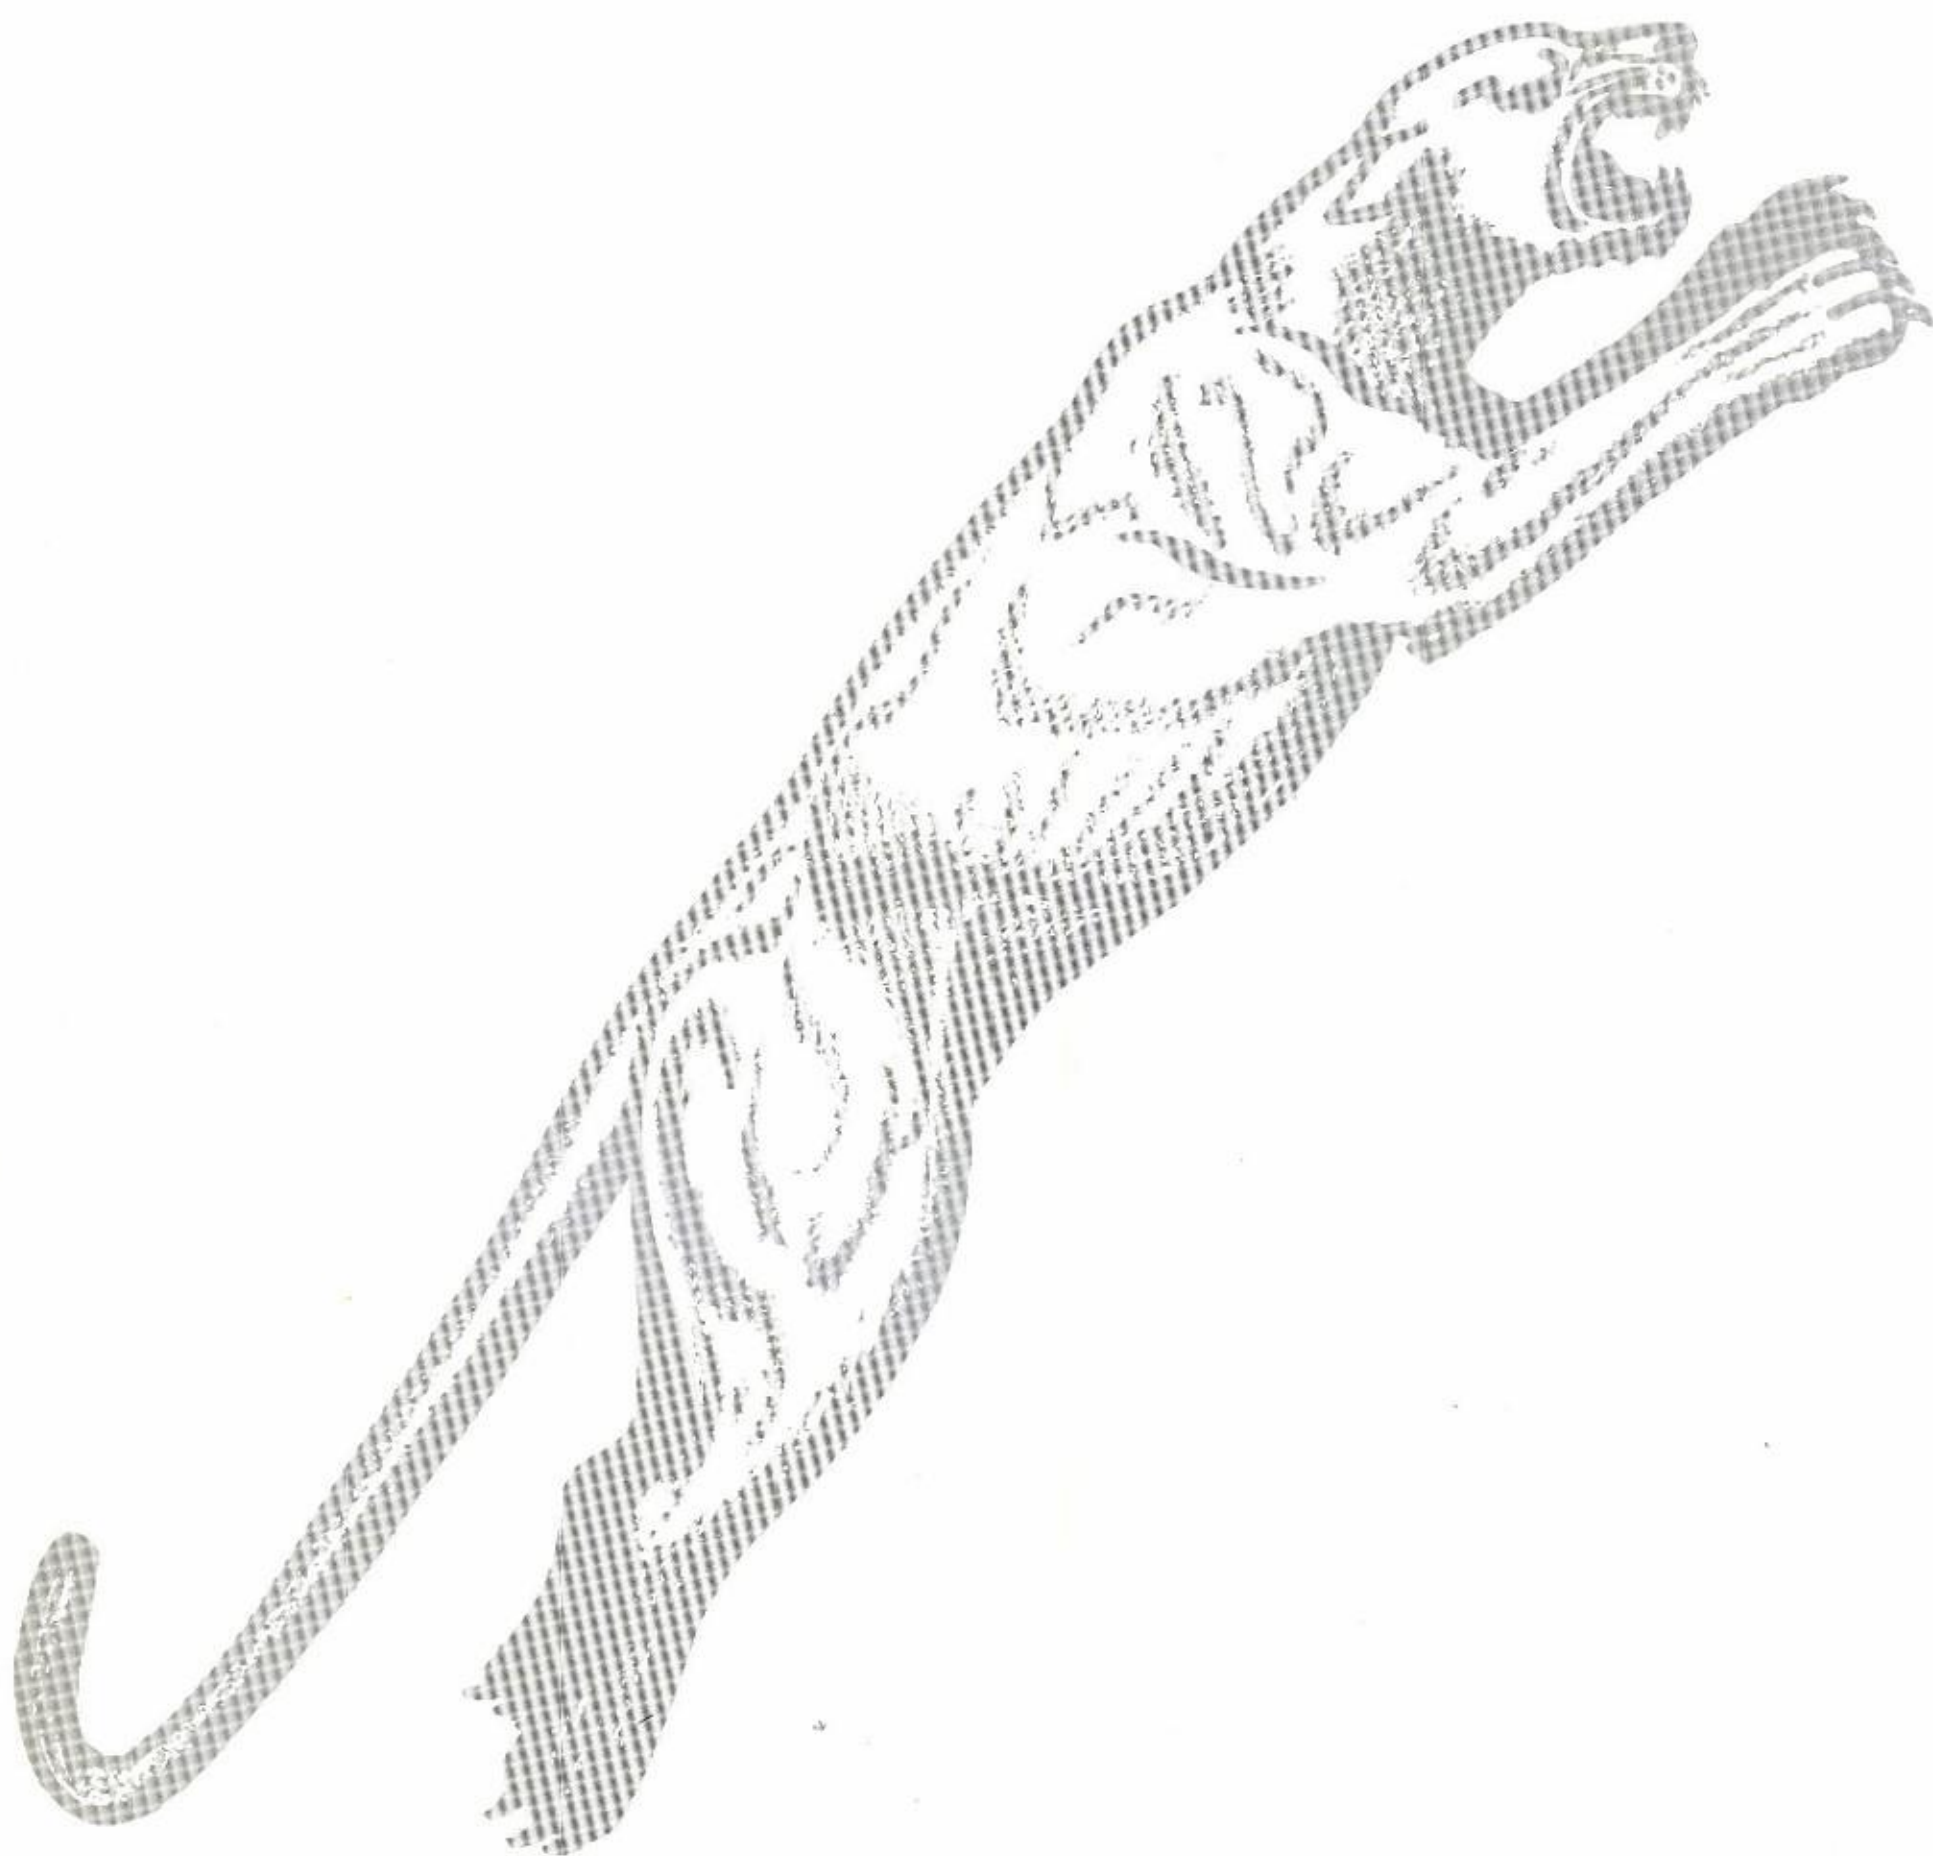

Golf team members are R. Solether, G. Solether, J. Payne, R. Talbert, J. Stevenson, M. Pike, A. Frost, B. Jenkins, and not shown, G. Morrow, L. Chandler, and R. Baxter.

Relatively new at WHS is golf and tennis competition. Although these two sports have not been greatly emphasized at Weslaco, in the past few years the tennis and golf teams have grown both in skill and in fame.

Tennis, revitalized recently, is beginning to draw closer interest on the WHS campus. Even though the main competitive tennis matches do not begin until spring, the tennis teams started practice and workouts, coached by Miss Evelyn Reisser, during the first weeks of school as part of the athletic program.

This is the third year of the WHS golf team and it is rapidly gaining in competitive status in the Valley. The golf team, coached by Mr. Gary Fletcher, travels throughout the Valley to tournaments during the year.

Westaco High, our faith in you

Enjoying refreshments before open house for the faculties of Weslaco schools are Board of Trustees members Kenneth Sherry, M.F. Connor, Domingo Sepulveda, Morris Knowles, Jim Cook, Bill Solether, and Mrs. Ralph Swanzey. Mrs. Swanzey resigned later.

Business manager and tax collector Cecil Holman, administrative assistant Chris Carrizales, and curriculum director William Barnes look through a book of classroom library packages.

Mr. Jack Frost
Superintendent

Board, Staff Guide Schools

As superintendent of the Weslaco Independent School District, Mr. Frost administers policies of the board of trustees.

Engaged in many activities benefiting the school system, Board of Trustees members work long in improving parent-teacher relationships, employing new faculty members, and planning financial and physical aspects of the District. They establish the policies which the superintendent administers in affairs of the school system.

At Weslaco High the principal, aided by two assistants, carries out these policies and guides the education and conduct of 900 students. All are charged with recording and keeping students' attendance, achievements, and grades. Teachers are responsible to and assisted by the administrative staff.

Mr. Howard Murchison
Principal

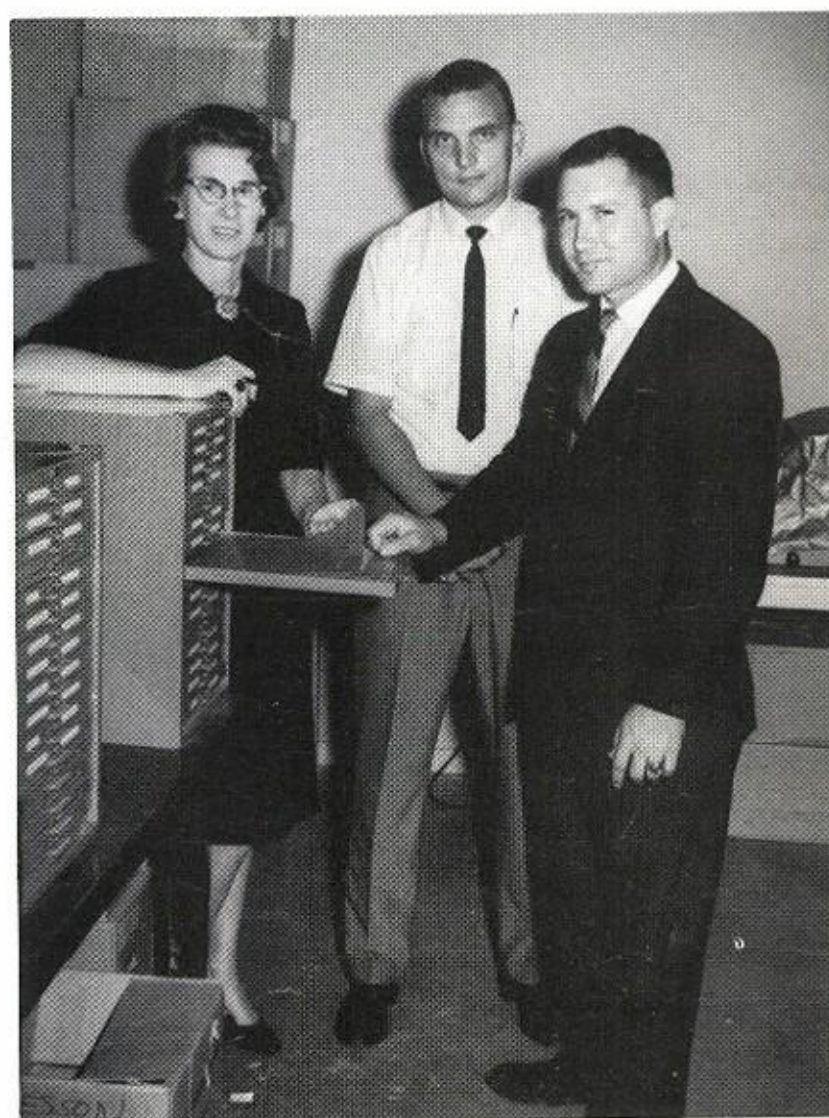

Principal Howard Murchison, good natured but firm, is found at his desk, completing administrative duties, around the campus, as he keeps up on events around campus, and at many extra-curricular activities.

Mr. David R. Anderson
Counselor

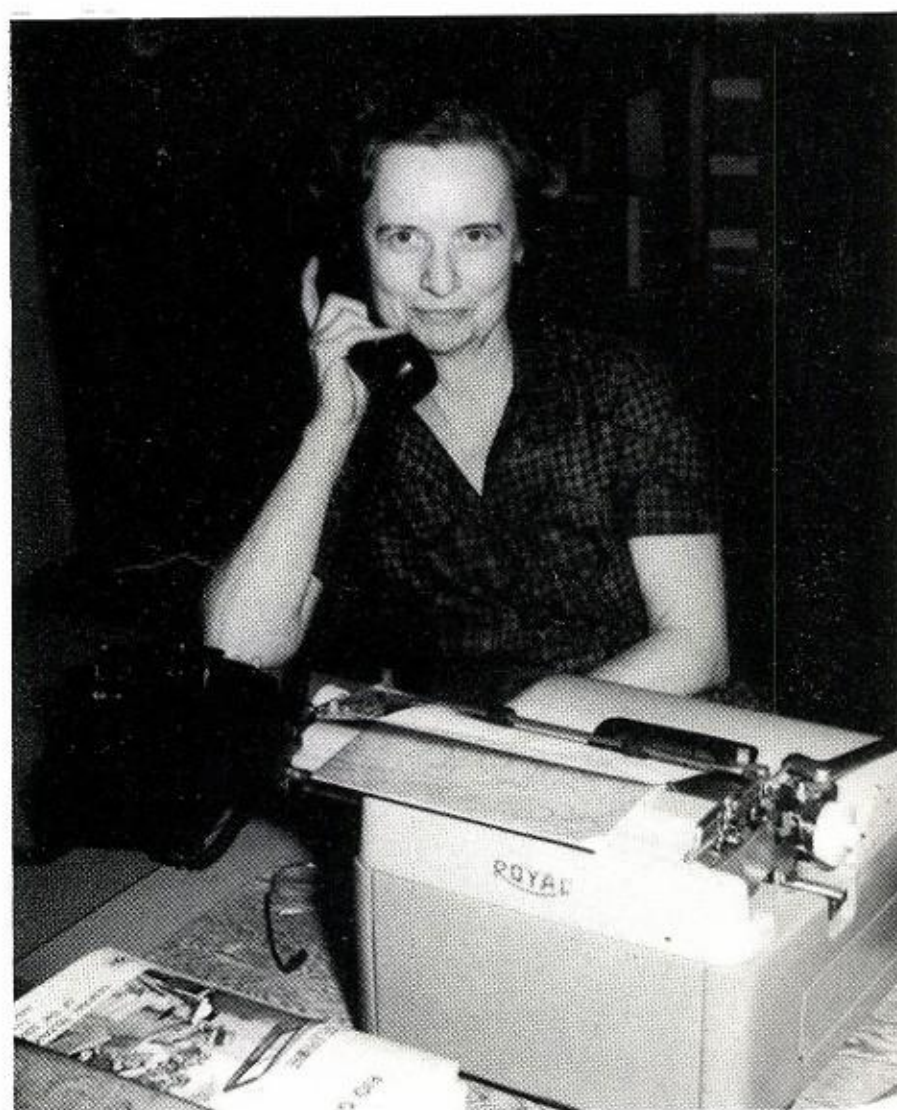

Mr. David R. Anderson, new counselor at WHS, prepares a late registering student's plan of study. Mr. Anderson has come to Weslaco High School from Imperial, Texas.

Staff Oversees School Business

Work for the WHS office staff begins well before the school year and terminates late in the summer, just in time to start again. The staff plans curriculum for the student body, keeps each student's school history, attends to problems, records absentees, and handles other miscellaneous business. This staff has proven itself invaluable to the faculty, student body, and administration.

Many changes came to Weslaco High School this year. Besides a new principal there is a new counselor, a new assistant principal, an additional assistant principal, and a new secretary. These have blended well with the old staff into the WHS daily routine.

This year's entire office staff strives to keep up with the increasing enrollment and curriculum of Weslaco High School.

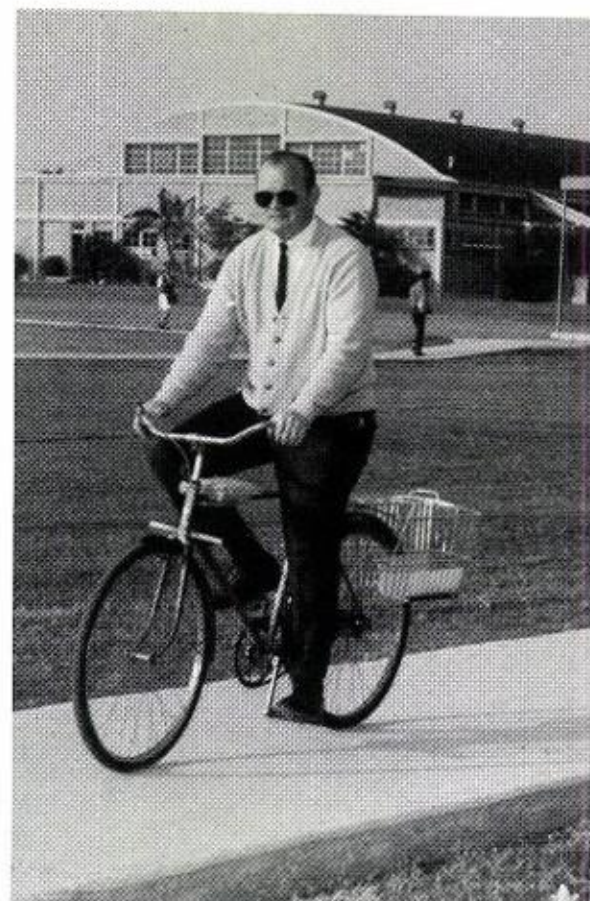

Answering the continuously ringing telephone is only one of the many duties of Mrs. Ellis May, WHS's busy receptionist.

In addition to providing a basic grammatical foundation, the proper use of English enriches a person's life by exposing him to literature's great classics. By writing compositions, a student becomes aware of the opportunities found in self-expression.

Under the leadership of instructors, Weslaco students demonstrate their achievements in English at UIL district competition, winning honors in such areas as ready writing, poetry interpretation, and prose reading.

Much stress is placed on English because of the invaluableity of the subject to the student in his later life, no matter what the career or vocation.

Since mathematics is of paramount interest to modern careers of many kinds, students preparing for them are offered a variety of courses. Related math, consumer's math, plane geometry, two levels of algebra, trigonometry, and elementary analysis are included. Modern equipment has been purchased to facilitate math learning and teaching. Teachers have joined a Valleywide math organization so they may exchange ideas with fellow math teachers in the area.

When a request for an explanation is brought to Mrs. Jean Mount, she gives a response in such a manner that there will be no question in a student's mind.

An additional biology teacher, two new general science teachers, and a new physics and chemistry teacher have been hired to handle the ever-growing number of students taking science as a preparatory step for college work. Because science is a requirement for higher education, more and better teachers are in demand.

As a rule this year juniors and seniors were the only students obligated to make projects for the annual Science Fair. Freshmen and sophomores were permitted to research a project if they chose. Some of the projects that were exhibited last year were improved and displayed again this year. One student who had built a computer last year made a reduction and came up with a miniature replica of the original work. Several others were reconstructed thus aiding the students in allowing them to go to the Regional Science Fair.

A federal grant entitled the science department to much needed equipment to aid teachers in their instructions and explanations. Among the extra supplies were new biology books, the first ones issued in nine years.

The social studies department gives students the necessary education in government, American and world history, and economics. This instruction prepares the student in the duties and responsibilities of citizenship and a background of American Heritage.

Part of the social studies department's program for education of the student in world affairs is the United Nations Pilgrimage Tour. The department helps students prepare for this national contest. In order to compete, each participant must give a talk, "Why I want to go to the United Nations." The faculty works hard to prepare the students, and, furthermore, gets good results.

The publications department is responsible for recording the events of the school. The Hi-Life is published and distributed on campus as a laboratory project of an academic journalism class. La Palma is published and distributed annually by a non-credit class. Through the publications department, the student body is informed of sports, school activities, and student news and events. The staff works many hours each week in preparing their respective publications. However, staff members do not work continually in the classroom. During the day, members can be seen on all corners of the campus taking photos and collecting news. They also sell and prepare advertising for Hi-Life. The publications department is undoubtedly the most peripatetic organization on campus.

Band, Choir, Coaching

With great enthusiasm and capability of leadership, Mr. Kenneth Caldwell directs the WHS band.

Music appreciation has been emphasized more this year than ever before. New to WHS, Mr. Kenneth Caldwell has truly put in his share of hard work conducting the "Green and Gold" band. Through his eagerness and determination WHS is the home of a first division band. Also, Mrs. Sybil Mattar, well known to WHS, efficiently directs the choir to everyone's satisfaction. Throughout the year our choir attends several functions, one of which was the choir clinic in Brownsville in November.

Staffs Utilize Ability

This year's coaching staff consists of several new members, all of whom are highly capable at their jobs. This school year more significance has also been placed on physical fitness than in the former years. With us for his first football season is head coach J.D. Centilli who came from George West with excellent ratings. Coach Centilli, along with the others on the coaching staff, is continuously trying to encourage more participation in athletics. They are providing activities for all so that this year will be a "well-fit" one.

Foreign languages make up an important part of WHS curriculum. Classroom activities include recitation, working with class recordings, and almost all oral work in the foreign language. Students receive a good foundation of basics in either French or Spanish. Two years of a foreign language are now required for graduation and admission to certain colleges, and many students voluntarily pursue three to four years of languages.

The business department includes all the courses needed to give a balanced program in business skills. Courses available include typing I and II, bookkeeping, and shorthand, giving training necessary for office work and for use during college. Daily drills and assignments increase speed and accuracy while at the same time providing actual practice in the skills associated with these courses.

Commencement, 1966

The Class of 1966, Barbee Field, May 27

Climaxing four years of achievement, members of the Class of 1966 assembled May 27 at 8 p.m. at Barbee Field for outdoor commencement exercises. Some 160 seniors received diplomas presented by Superintendent Jack A. Frost after formal certification of the class by Principal Howard Murchison Jr. Gerald Streit gave the valedictory, Esteban Salinas the salutatory, and Frances Cain, the address for the high ranking girl. William Anderson, class president, gave the invocation, and Andy McMullen, Student Senate president, pronounced the benediction. Honor graduates (pictured elsewhere) were recognized, as were students receiving scholarships to various colleges and universities. Senior choir members sang "You'll Never Walk Alone" and "Graduation Day", the high school band played the processional and recessional, and just before they left the field, all the class members sang the school song, "The Spirit of Weslaco High."

After commencement, class members were honored at a party given by a committee of parents.

Weslaco High School juniors and seniors and their dates enjoy the lovely "Grecian Festival" at the Junior-Senior Prom.

Seniors Enjoy "Grecian Festival"

Building the Trojan horse to conquer their enemies are junior boys who participated in the floor show.

Excitement filled the air as the annual Junior-Senior Prom revealed a "Grecian Festival" theme, March 12, at the McAllen Civic Center. The prom theme featured a Grecian setting. Corinthian white columns flanked the dance floor, and graceful white doves hung overhead. A flower-filled fountain in the center of the dance floor, and elegant Greek goddesses completed the classical decorations.

Steve Peery was master of ceremonies while seniors witnessed the hilarious, confusing conspiracy of Larry (Maxwellus Dumbus) Chandler, and his Greek gang: Faustino (Jack Snow) Garza, Pat (H.M., Sr.) Real, Florinda (Helen) de Leon, Eduardo (Slave) Cruz, Susan (Girl) Hays, and Bruce (Soldier) Osborn.

Following the banquet and floor show, the Keynoters orchestra furnished dancing music.

Entertainment provided by the junior class proved to be most unusual and very amusing.

In Closing ...

As the 1965-66 school year comes to a close and another La Palma is completed, the time comes for looking over the past year and recalling the events and people who helped make the year and work as great as it was. As I relax knowing that the work is complete---the last photograph taken, the last outline written, and the last copy block edited---I want to express my thanks to all those who helped make the production possible....

... Sharon White, whose ideas and suggestions were a big help when others failed;

... Steve Rawe and Ronnie, who worked many extra hours, in rain and cold, to get pictures before it was too late;

... Dianne Luce, who hopped from tripak to file to grab pictures, letters, or whatever anyone needed;

... the rest of the staff who listened to my noise and who were courteous in trying to follow suggestions (even when they did not like them);

... Henington Publishing Company, which tried to do anything they could to meet our needs;

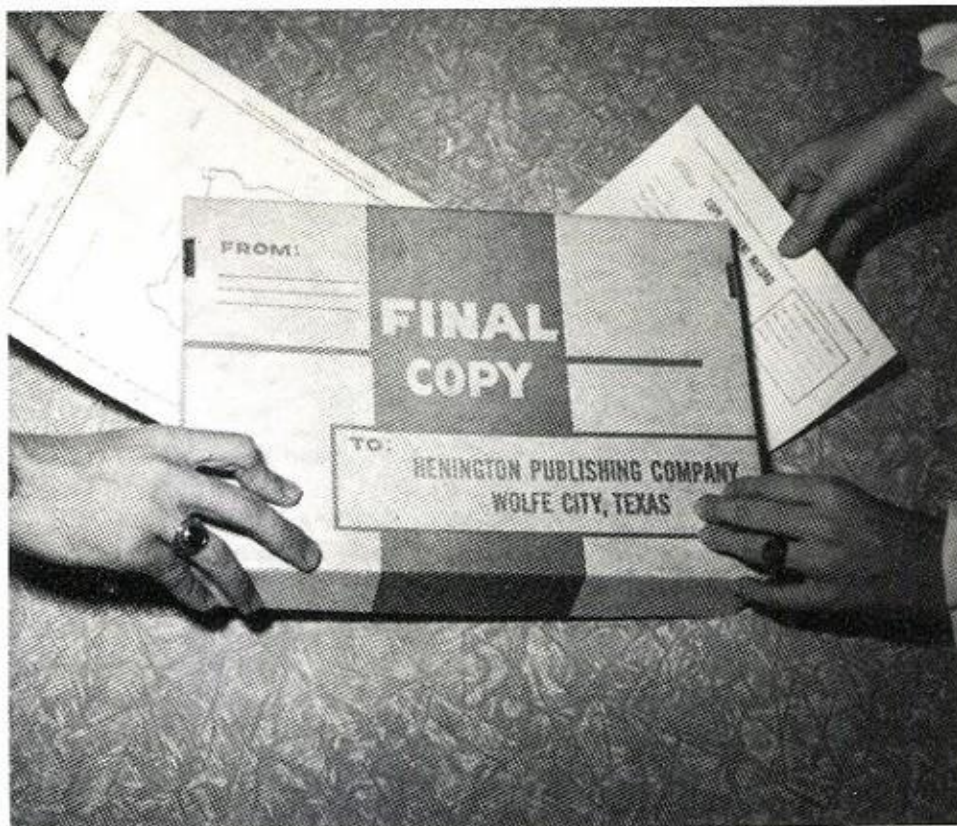

... my parents, who understood that they were not really losing a son, but gaining a yearbook;

... the faculty and administration, who cooperated in meeting deadlines and picture schedules;

... the student body, who made the entire book possible by supplying antics and "letting" us photograph them;

... last, but certainly not least, Mrs. Andersen (MaAndy), whose "nagging" was certainly a blessing in time of need.

To these people goes a hearty "Thanks for everything" and the hope that each year to come may bring a growing spirit with a larger and better book to record it.
